

IOWA

COUNCIL OF SAFETY MANAGEMENT

WHAT IS THE IOWA COUNCIL OF SAFETY MANAGEMENT?

The Iowa Council of Safety Management (ICSM) is a division within the Iowa Motor Truck Association that specifically focuses on the safety, compliance, and regulatory priorities of the trucking industry.

ICSM membership is open to anyone that is involved in safety and compliance --- both carriers and vendors. Individual membership dues are required to be part of ICSM and multiple individuals from one company are more than welcome to join ICSM.

Membership runs from October 1, 2023 - September 30, 2024.

BENEFITS OF JOINING ICSM

- 1** *Tremendous networking opportunities with other safety professionals.*
- 2** *Access to valuable & timely information specific to trucking compliance.*
- 3** *Regular interaction and involvement with important regulators.*

DUES
\$500
per person

DUES@WORK

Mini-Safety Conferences

Three one-day long conferences that will offer a deeper dive into regulatory issues of importance while also promoting valuable interaction with regulators. Attendees will also network with colleagues and peers during lunch through discussion on various topics.

Automatic Registration to Annual Safety Professionals Conference

As an ICSM member you will be automatically registered for the annual Safety Professionals Conference held in Des Moines --- a \$200 value! This day and a half long conference features break out sessions, panel discussions and keynote messages specific to safety and compliance. Plus a networking reception the first day of the conference!

2024 ICSM STEERING COMMITTEE

The Steering Committee members are elected by their peers and are recognized leaders in the industry. The committee helps plan the annual schedule, assists with securing good speakers and oversee the activities, finances, and priorities of the ICSM.

PRIOR TO EACH MEETING & MINI-SAFETY CONFERENCE

ICSM members will receive specific information about each ICSM meeting and mini-safety conference two-weeks prior to each scheduled event. This will include an agenda, brief overview of the topic, webinar log-in information and a required RSVP.

RSVPs are required in order for the IMTA to plan accordingly for the expected attendance, as well as for the IMTA to plan accordingly for lunch and seating during the mini-safety conferences.
