WELCOME SGAR'S NEW ASSOCIATION EXECUTIVE, BETH SMITH

We are pleased to introduce you to our new Association Executive, Beth Smith!

Beth attended Central Methodist in Fayette, Mo and earned a degree in Mathematics Education. She taught mathematics for 12 years! During that time, she attended William Woods University in Fulton and earned her master's in education administration. Beth's background in Real Estate started over 10 years ago when a long-time family friend asked her to become his assistant in his real estate office. She started off as a front desk office assistant and then moved to the Agent Success Coordinator for a local brokerage. Beth has been in her role for a few weeks and is an absolute joyful addition to the Southern Gateway Association of REALTORS office. Please take a moment to welcome Beth and/or stop by the office and say hi in person. Don't hesitate to reach out to Beth and Clare, if there's anything you may need.
