## **CCIA GROUP HEALTH INSURANCE PROGRAM : **UNITED HEALTHCARE****

---

### **Employee Benefits**

Great news for **CCIA** member organizations! The **CCIA** offers a competitive group health insurance program through Coreprime that is exclusive to our members. The following program incentives are available to **CCIA member groups with 100+ employees**.

### **Benefits Technology Solutions**

- Up to 5% off UHC's large group (100+ employees) medical premiums.
- Select companies will qualify for a 2nd year rate cap, subject to underwriting approval.
- Additional discounts of up to 4% off group medical premiums (9% total available discounts off group medical) for bundling ancillary lines of coverage with UHC:
  - Dental - Additional 2% off medical
  - Vision - Additional .5% off medical
  - Life and vol. life - Additional .5% off medical
  - LTD & STD - Additional .5% off medical
  - Accident/CI/Hosp. - Additional .5% off medical
- For groups with less than 100 employees, UHC's small group medical portfolio is available to be packaged with Coreprime's no-cost value-added services, as detailed on the next page.

## **CCIA GROUP HEALTH INSURANCE PROGRAM VALUE-ADDED SERVICES PACKAGE**

When accessing the CCIA group health insurance program through Coreprime, CCIA member organizations will receive the following value-added services **at no cost**:

### **Benefit Program Compliance**

- COBRA administration, ERISA compliance, ACA tracking/reporting, ACA compliance consulting (affordability, ALE determination, etc.).

### **Technology**

- Benefits administration and HR software: All employee onboarding and insurance enrollment workflows will be electronic.

### **HR Outsourcing**

- Open enrollment processing: Our team will handle your initial enrollment and all subsequent open enrollments via a variety of customized tools.
- We will provide you access to ThinkHR, a best-in-class, 24-7 automated HR outsourcing resource that can handle any HR issue that your team will face.
- We will provide you access to our team of Benefits & HR Specialists, all of whom were formerly HR Managers/Directors for large companies, who can directly assist with any HR need you may have.
