

Education Course Sponsorship Agreement Form

Education is one of the HBAGTA's Core Values: We know a well-educated membership is the cornerstone of the home building industry. We believe that the HBAGTA has the possibility and opportunity to facilitate learning for every member and that every member has the obligation to acquire new knowledge, skills, values, and habits to support the communities perception of our industry.

The following are the marketing opportunities associated with being an Education Course Sponsor:

- Display table to promote your products and/or services to class attendees.
- 1-2 minutes at the start of the class for a brief introduction to your company, products, and services.
- Company logo on the HBAGTA Education webpage in conjunction with the class you are sponsoring.
- Company logo in the Tuesday Toolbox in conjunction with the class you are sponsoring.
- Company logo in any email or print marketing in conjunction with the class you are sponsoring.

All Education Course Sponsorships are \$150 each and are on a first come basis. Visit our webpage, www.hbagta.com/upcoming-classes/ for a list of classes available to sponsor. See other side for payment options. Contact Debbie with any questions, 231-946-2305.
