All Kinds of Fun, All the Time

In summer we become the center of the horse racing world, and we’ve been known for 200 years as a health and wellness destination. But there’s really so much to do and see when vacationing here any time of the year. That’s what draws visitors to us from far and wide. We’re a one-of-a-kind treasure.
We’re home to the country’s oldest and most beautiful Thoroughbred race track. Get up early and watch the horses train. Have breakfast at the track. Experience the sights and sounds of the very best this grand sport has to offer. You can also watch a polo match, or take in an evening of harness racing. This is horse country in all its glory.

Showtime!
The Saratoga Performing Arts Center (SPAC) offers a world-class line-up of stars in music and entertainment. It’s also a spectacular place itself, nestled within the 2,400-acre Saratoga Spa State Park. SPAC is also summer home to the New York City Ballet and Philadelphia Orchestra, and hosts the renowned Freihofer’s Saratoga Jazz Festival.

There are also theater, dance and music performances at Skidmore College, folk music at the iconic Caffè Lena, jazz and club performances, and live music at many area venues.
From the scenic Hudson and Mohawk Rivers and Great Sacandaga Lake to the Southern Adirondack Mountains, 2,400 acre Saratoga Spa State Park and beautiful Moreau State Park, you’ll find so many things to do outside. Swim in Saratoga Lake at Brown’s Beach. Kayak on lakes, rivers and streams. Take advantage of excellent birding opportunities, nature trails, and preserves.

The Great Outdoors

Have We Got History

Saratoga helped shape American history in a big way. You’ll experience this when you walk around Saratoga National Historical Park, site of one of the 10 most important battles in world history.

We’re also home to ten museums, including the National Museum of Racing and Hall of Fame, the National Museum of Dance, the National Bottle Museum, the New York State Military Museum, Saratoga Automobile Museum and several local history museums.

A storied past comes alive everywhere you go. You can experience this in the more than 1,000 beautiful buildings on the National Historic Register, the many great old Victorian homes, and the mineral springs that have served the needs of visitors for centuries.
Whether you’re planning a romantic weekend for two, a winter adventure or a summer vacation, you’ll find us so very accommodating. Choose from lovely country inns, historic bed and breakfasts, full-service resorts, or your favorite chain hotel. When it comes to dining, our restaurants have it all, from gourmet elegant to easy and casual.

Fun and Games
If it’s sports you’re interested in, we’ve got plenty to keep you happy. There are 14 golf courses in the area, including courses that win national awards for excellence.

Feeling lucky? You might also enjoy a night at the casino, where you’ll also find great harness racing.

In July, bring the whole family to the marvelous Saratoga County Fair.
