Immediate Family Member - means a person who is related to the Insured Person in any of the following ways: spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, father-in-law, parent (includes stepparent), brother or sister (includes stepbrother or stepsister), or child (includes legally adopted or stepchild.)

INSURED'S EFFECTIVE AND TERMINATION DATES

Effective Date. The Insured's coverage under the Policy begins on the Effective Date of Coverage as shown in the Schedule.

Termination Date. An Insured's coverage under the Policy ends on the earliest of: (1) the date the Policy is terminated; (2) the premium due date if premiums are not paid when due; (3) the date the Insured requests, in writing, that his or her coverage be terminated; or (4) the date the Insured ceases to be eligible for coverage under the Policy.

Termination of coverage will not affect a claim for a covered loss that occurred while the Insured's coverage was in force under this Policy.

BENEFITS AND COVERAGES

Principal Sum. As applicable to each Insured, Principal Sum means the amount of insurance in force under the Policy as described in the Schedule.

Limitation on Multiple Benefits

If an Insured Person suffers one or more losses from the same accident for which amounts are payable under more than one of the following Benefits provided under the Policy, the maximum amount payable under all of the Benefits combined will not exceed the amount payable for one of those losses, the largest: Accidental Death Benefit, Accidental Dismemberment Benefit.

Accidental Death Benefit

If Injury to the Insured Person results in death within 365 days of the date of the accident that caused the Injury, the Company will pay 100% of the Principal Sum.

Accidental Dismemberment Benefit

If Injury to the Insured Person results, within 365 days of the date of the accident that caused the Injury, in any one of the Losses specified below, the Company will pay the percentage of the Principal Sum shown below for that Loss:

<u>For Loss of</u>	<u>Percentage of Principal Sum</u>
Both Hands or Both Feet	100%
Sight of Both Eyes	100%
One Hand and One Foot.....	100%
One Hand and the Sight of One Eye.....	100%
One Foot and the Sight of One Eye	100%
One Hand or One Foot	50%
Sight of One Eye	50%

“Loss” of a hand or foot means complete severance through or above the wrist or ankle joint. “Loss” of sight of an eye means total and irrecoverable loss of the entire sight in that eye.

If more than one Loss is sustained by an Insured Person as a result of the same accident, only one amount, the largest, will be paid.

Exposure and Disappearance

If by reason of an accident occurring while an Insured Person's coverage is in force under the Policy, the Insured Person is unavoidably exposed to the elements and as a result of such exposure suffers a loss for which a benefit is otherwise payable under the Policy, the loss will be covered under the terms of the Policy.

If the body of an Insured Person has not been found within one year of the disappearance, forced landing, stranding, sinking or wrecking of a conveyance in which the person was an occupant while covered under the Policy, then it will be deemed, subject to all other terms and provisions of the Policy, that the Insured Person has suffered accidental death within the meaning of the Policy.

EXCLUSIONS

The Policy does not cover any loss caused in whole or in part by, or resulting in whole or in part from, the following:

1. suicide or any attempt at suicide or intentionally self-inflicted injury or any attempt at intentionally self-inflicted injury;
2. sickness, disease or infections of any kind; except bacterial infections due to an accidental cut or wound, botulism or ptomaine poisoning;
3. travel or flight in or on (including getting in or out of, or on or off of) any vehicle used for aerial navigation, if the Insured Person is:
 - a. riding as a passenger in any aircraft not intended or licensed for the transportation of passengers;
 - b. performing, learning to perform or instructing others to perform as a pilot or crew member of any aircraft;

6. the Insured Person being under the influence of drugs or intoxicants, unless taken under the advice of a Physician;
7. the Insured Person's commission of or attempt to commit a felony.

CLAIMS PROVISIONS

Notice of Claim. Written notice of claim must be given to the Company within 20 days after an Insured Person's loss, or as soon thereafter as reasonably possible. Notice given by or on behalf of the claimant to the Company at A&H Claims Department, P.O. Box 25987, Shawnee Mission, KS 66225, with information sufficient to identify the Insured Person, is deemed notice to the Company.

Claim Forms. The Company will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the giving of notice, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in this Policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured's name, the Policyholder's name and the Policy number.

Proof of Loss. Written proof of loss must be furnished to the Company within 90 days after the date of the loss. If the loss is one for which this Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as the Company may reasonably require. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required.

Payment of Claims. Upon receipt of due written proof of death, payment for loss of life of an Insured Person will be made to the Insured Person's beneficiary as described in the Beneficiary Designation and Change provision of the General Provisions section.

Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to (or on behalf of, if applicable) the Insured. If an Insured dies before all payments due have been made, the amount still payable will be paid to his or her beneficiary as described in the Beneficiary Designation and Change provision of the General Provisions section.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding \$1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee, who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

Any payment the Company makes in good faith fully discharges the Company's liability to the extent of the payment made.

Time of Payment of Claims. Benefits payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid immediately upon the Company's receipt of due written proof of the loss, but in no event more than 60 days from receipt of proof of loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

GENERAL PROVISIONS

Entire Contract; Changes. The Policy, the Master Application, and any attached papers make up the entire contract between the Policyholder and the Company. In the absence of fraud, all statements made by the Policyholder or any Insured Person will be considered representations and not warranties. No written statement made by an Insured Person will be used in any contest unless a copy of the statement is furnished to the Insured Person or his or her beneficiary or personal representative.

No change in the Policy will be valid until approved by an officer of the Company. The approval must be noted on or attached to the Policy. No agent may change the Policy or waive any of its provisions.

Incontestability. After an Insured Person has been insured under the Policy for two year(s) during his lifetime, no statement made by the Insured Person, except a fraudulent one, will be used to contest a claim under the Policy. The Company may only contest coverage if the misstatement is made in a written instrument signed by the Insured Person and a copy is given to the Policyholder, the Insured Person or the beneficiary.

Insured's Beneficiary Designation and Change. The Insured's designated beneficiary(ies) is (are) the person(s) so named by the Insured for the Policyholder's group life insurance policy as shown on the Policyholder's records kept on that policy, unless the Insured has named a beneficiary specifically for the Policy as shown on the Company's records kept on the Policy.

An Insured over the age of majority and legally competent may change his or her beneficiary designation at any time, unless an irrevocable designation has been made, without the consent of the designated beneficiary(ies), by providing the Company with a written request for change. When the request is received by the Company, whether the Insured is then living or not, the change of beneficiary will relate back to and take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment made by it prior to receipt of the request.

If there is no designated beneficiary or no designated beneficiary is living after the Insured's death, the benefits will be paid, in equal shares, to the survivors in the first surviving class of those that follow: the Insured's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any individual whose loss is the basis of claim under the Policy when and as often as it may reasonably require during the pendency of the claim and to make an autopsy in case of death where it is not forbidden by law.

Legal Actions. No action at law or in equity may be brought to recover on the Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of the Policy. No such action may be brought after the expiration of three years after the time written proof of loss is required to be furnished.

Noncompliance with Policy Requirements. Any express waiver by the Company of any requirements of the Policy will not constitute a continuing waiver of such requirements. Any failure by the Company to insist upon compliance with any Policy provision will not operate as a waiver or amendment of that provision.

Conformity With State Statutes. Any provision of the Policy which, on its effective date, is in conflict with the statutes of the state in which the Policy is delivered is hereby amended to conform to the minimum requirements of those statutes.

Workers' Compensation. The Policy is not in lieu of and does not affect any requirements for coverage by any Workers' Compensation Act or similar law.

Clerical Error. Clerical error, whether by the Policyholder or the Company, will not void the insurance of any Insured Person if that insurance would otherwise have been in effect nor extend the insurance of any Insured Person if that insurance would otherwise have ended or been reduced as provided in the Policy.

Assignment. An Insured may not assign any of his or her rights, privileges or benefits under the Policy.

Misstatement of Age. If the benefits for which the Insured Person is insured are based on age and the Insured Person has misstated his or her age, there will be an adjustment of said benefit based on his or her true age. The Company may require satisfactory proof of age before paying any claim.

These limits are applied for each insolvent insurance company.

Insurance companies and agents are prohibited by law from using the existence of the Association for the purpose of sales, solicitation or inducement to purchase any form of insurance.
