- Be featured on the city's website with valuable backlinks to your business page.
- Be recognized by the Lafayette City Council.

Receive a certificate and a decal to display at your business to convey your commitment to supporting the city's [climate goals](#).

Awardees and their employees are also eligible for discounted RTD products, workshops, networking events, local "green" tours, and other educational opportunities throughout the year.

Returning Green Business awardees are simply required to review and update their prior year questionnaires to receive recognition again this year.
