LAFAYETTE POLICE DEPARTMENT DRUG TAKE BACK & DOCUMENT SHRED EVENT

April 24, 2021 10am - 2pm

745 N. US Hwy 287

Walmart Parking Lot

The Lafayette Police Department participates in the national drug take back events each year, which focuses on removing potentially dangerous controlled substances from our medicine cabinets. A national take back day provides the public an opportunity to surrender expired, unwanted or unused pharmaceutical controlled substances & other medication to law enforcement officers for destruction. Items which cannot be accepted for take back programs are needles, thermometers, oxygen containers, used inhalers, aerosol cans, liquids containing hydrogen peroxide, chemotherapy, or radioactive substances and illicit drugs.

The shred event provides the public an opportunity to safely get rid of documents and possibly avoid identity theft. Please limit to no more than 3 bags or boxes. Items which cannot be accepted are newspapers, phone books, magazines, or catalogues.
