JANUARY

Westbound & Down Mill is Now Open!

Bringing the classic comforts of award-winning craft beer and artisan pizza to Lafayette.

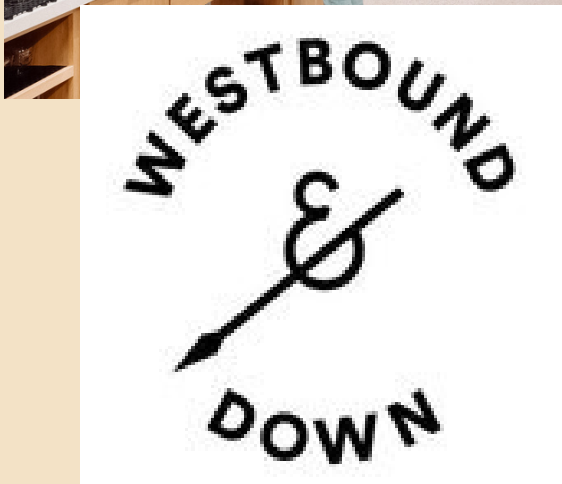

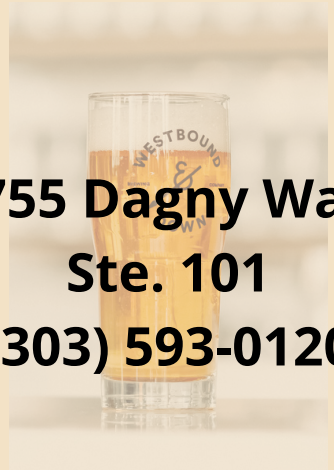

Chef Casey Taylor has created an evolving menu centered around scratch-made pizzas — both round and square. Our pizza and shared plates utilize locally sourced ingredients, including our in-house brewed beers, ensuring you'll always find the perfect pairing for your pint.

Come in for freshly tapped craft beers, stay for the pizza and the people.

Located at 95th and Arapahoe in Atlas Valley Shopping
