CREATING A
SAFE AND FUN
ALTERNATIVE
FOR AFTER PROM

February 7th, 2023

Dear Community Supporter,

I am writing to you to share about our organization.

Centaurus High School Parents have organized a Non-Profit in order to keep high school students safe after the Junior and Senior Prom. Since 2014, the Centaurus After-Prom has grown to attract more and more students every year, creating an After Prom that is a highlight of the Centaurus high school experience! This past year's After Prom attracted over 500 students to the YMCA for a Post Prom extravaganza! Beyond a fabulously fun night, Post Prom activities really **ARE** a matter of life and death! Attending a secure, community supported party may make the difference between whether or not a student survives the night.

Lafayette Police Chief, Rick Bashor, says regarding Prom Night... "Many communities have experienced tragedies involving school aged students and alcohol/drugs. Fortunately, it has been many years since our community has experienced a serious injury or death of a student on Prom Night. I believe that a significant factor in our success has been the After Prom program and it deserves all the support that members of our community can give it."

The Centaurus Safe Night After Prom committee or **CSNAP**, in partnership with the Boulder Valley Lafayette YMCA, needs **your support!** After Prom is 100% parent coordinated and funded through community gifting. In order to entice students to attend our event, we need many fun gifts, great entertainment and food. Cash is always great, **but gift items are equally appreciated.** We will proudly recognize individuals and businesses in the following ways:

Donor Levels (cash or gift value):

\$100: WARRIOR LEVEL - 1) Your name/business listed in the "Thank You" ad in the Hometown Weekly post event. 2) Your name/business displayed on our Gratitude Wall for all to see. 3) Shout outs on our Facebook and Instagram pages.

\$250: WARRIOR WHITE LEVEL - Receive all the above, plus a window decal that can be displayed at your business to recognize your generous donation. You may have seen them around town!

\$500: WARRIOR RED LEVEL - Receive all the above, plus your company logo will be featured on our Website.

\$1000: WARRIOR ELITE - Receive all the above, as well as a thank you in the CHS weekly newsletter.

After Prom is scheduled for April 28, 2023, from 11 p.m. - 2:30 a.m.

Please visit our website www.centaurussnap.org to volunteer or to donate via PayPal. You may send a check made payable to 'CSNAP', PO Box 452, Lafayette, CO 80026. Please indicate your Donor Level interest.

Respectfully,

The 2023 CSNAP Planning Committee
Email: centaurussnap@gmail.com

Your donation may be tax deductible: Federal Tax ID # 47-1287165.

News flash: Colorado offers employers a tax credit to support alternative commute options

The process is easy. We can help.
And all our services are free!

What Is It? New for tax years 2023 and 2024, the State of Colorado will provide a refundable tax credit of 50% for employer expenses related to providing alternative transportation options to employees.

Why? The tax credit's purposes are to increase the use of alternative transportation, reduce traffic congestion and improve the state's air quality.

What qualifies? Expenses related to supporting *anything* other than driving alone, including:

Transit.

Biking.

Shuttles.

Carpool.

Vanpool.

Administrative expenses.

1

Register today, and complete a quick 10-minute assessment – visit coloradocleancommute.org to get started.

2

Way to Go's support team will help distribute an automated survey to your employees at no cost.

3

Way to Go will use survey results to prepare a custom commute options plan for your workplace, and help every step of the way.

More why? In addition to this being good for the environment, it's good for your business, too:

- **Attract and retain the best employees.** Surveys show people want to work for employers that support commute options!
- **Improve productivity, health and morale.**
- **Position your brand as eco-friendly.**
