

Product Award Information

98. Best Green Home – Under \$300,000

99. Best Green Home – Over \$300,000

Judging Criteria:

Entries will be judged on overall design, Energy Star® HERS Index achieved, or other certified energy program, and/or additional water conservation, site conservation, indoor air quality and/or materials featured. Category number is based upon sales price of home, **not including the lot cost**. Home must have been built between January 1, 2020 and December 31, 2020.

Materials for Submission Checklist:

- Six images depicting: exterior elevation, living room area, entry, master bedroom, kitchen as well as view of green features pertinent to the home. **See Rules for image specifications.**
- A brief description of the home's green features such as efficient products/equipment; water conservation features, indoor air quality features, etc. (*max. 300 words*).
- Floor plan (8 ½" x 11", remove all company names and logos)
- Completed Product Award Information form
- Completed Entry form
