

# Annual Meeting

The Annual Meeting is the Richardson Chamber's opportunity to share the previous year's achievements and recognize the members who played key roles in reaching those milestones. The Volunteer of the Year, Rookie of the Year, Committee of the Year, and Small Business of the Year will be recognized. The highlight of the Annual Meeting is the announcement of the Richardson Citizen of the Year.

This year's keynote speaker will be KDC CEO Steve Van Amburgh with special guest Dan Johnson, retired City Manager.
