

PLAN TO PARTICIPATE!

Let it Be
WALK-ON
APRIL 26
MAY 9
2020

TheLetItBeFoundation.org

The Let It Be Foundation and their mission of providing support and services to families with children who have life-threatening illnesses. Now is our chance to show your support and connect with the community in a unique and fun way!

This is the time of year that **The Let It Be Foundation** normally holds their annual 10K/5K+ Walk-Run (previously scheduled for 5/9/2020). They have chosen to keep the event going this year, but not on the usual route and in a unique way...through *virtual options*. They have recently announced this year's new format for the annual Walk-Run:

Let It Be Walk-On 2020, April 26 – May 9. TOGETHER as a community, and beyond, we will Walk-On! For Let It Be, their mission and responsibility to The Let It Be Families is more important than ever as together with them, we come alongside the Foundation and local families who have a child that has been diagnosed with a life-threatening illness. They provide each family with ongoing support and services throughout the sick child's treatment, striving to focus on the entire family to restore a sense of normalcy.

Walker Registration Information:

- A single virtual \$15 registration is good for an individual or household (those that you are hunkered down with during the statewide “stay at home” order).
 - **SIGN-UP:** <https://theletitbefoundation.redpodium.com/2020-let-it-be-walk-run>
- Each registration includes: One (1) event t-shirt distributed at Celebration Breakfast and up to four (4) Celebration Breakfast tickets.
- All participants will be invited to a Celebration Breakfast, this date and location will be determined once the community receives an “all clear” to gather and you will be notified.
- All email updates and links during campaign will be sent to the individual registering for household.
- Available to all ages, make it fun or keep it simple! (We will be sharing ideas and posting along the way, so be creative!!)
- Walkers will be provided additional information along with an official printable Let It Be Walk-On 2020 Bib.
