

Young Professionals Network

Bemidji Area Chamber of Commerce

Mission: Engage and connect dedicated young professionals to embrace and accelerate personal and professional growth by offering a sense of belonging within the community, diverse and meaningful connections, and leadership opportunities.

Expand your horizons and get on-board with the Young Professionals Network of Bemidji!

As a member, you will enjoy many unique opportunities for the advancement of both personal and professional growth. From monthly luncheons to social events, you will find ample ways to explore new ground and meet other young professionals.
