

The Value of Being a Chamber Member

Exposure

We can help tell your story! In addition to member listings and referrals, you can choose from a variety of unique advertising, sponsorship, and promotional opportunities.

Networking

Build lasting business and community relationships as you attend events, join volunteer groups, and interact with people outside your normal routine.

Credibility & Referrals

Being a member of the chamber shows you are an active and reputable company in our community. Our chamber receives requests for services every day, which gives us the opportunity to refer your business.

Advocacy & Information

The chamber monitors local, regional, state and federal policies that may impact your business. Stay informed through our various communication channels, and get involved by attending our special events.

Development & Growth

Receive access to some of the best training opportunities in the area by attending an event or joining a committee. Make connections, strengthen your leadership skills, and grow!

Business Services & Resources

As a member, the chamber can provide you valuable services including key business contacts, up-to-date community information, and connections to elected officials and various community organizations.
