September hits, we can increase profits for the rest of 2017.

On September 6 join us for a FREE class focused on how to maximize your marketing exposure using the tools of the Evergreen Chamber. Already one of our 500-plus business members? Come find out what's new. Not yet a member? Come find out what you are missing and learn what being part of the Evergreen Chamber can do for your business. Friday September 15 at Mt. Vernon Canyon Club is the 4th annual Mountain Area Women in Business Luncheon recognizing and celebrating hard working women in our community. Guests enjoy an elegant lunch, network with other career focused women, and hear from two inspiring speakers. Local business owner Rachel Nicks will share tips on changing the direction of your career and following your passion. Keynote Speaker Julie Holunga, owner of Chinook Executive Solutions, will share the power of language in the workplace. Women from all over the mountain area are encouraged to register now. This event sells out so go to evergreenchamber.org and reserve your seat today.

Save the date for our next member and community breakfast, Wednesday October 4. Speakers will fill us in on what's new at with the Jeffco Sheriff's Department and how they support Evergreen. Then we will have a professional trainer come in and teach the latest in networking skills for business. Join us, get a great meal, the latest community information and attain some skills to grow your customer base.

Community Appreciation Party a Big Success!

On July 13 we co-hosted a Community Appreciation party with EPRD. Many attended, fun was had by all. We wanted to make sure to thank our Senior Services Sponsors who helped pay for the event. They each made a small donation to help with food and showcased the types of services available in our mountain community. If you need to know what they do or how to contact any of them, please visit the Chamber website and look under the Live Here Tab-there is a special Seniors Page. The services they provide you may not need now but you will need someday so it always good to know where you can find what you are looking for. All of them are proud members of the Chamber and we are proud of what they do for our residents.

Local Rotary Clubs Receive \$25,500

Funds will be re-distributed to non-profits and charitable causes across the foothills.

This year, the Evergreen and Conifer Rotary Clubs each received a check for \$12,750 from the proceeds of the Mountain Area Home and Garden Show (MAHGS). The clubs will now redistribute these funds amongst various non-profits and charitable causes, such as Road Warriors (CDOT's Adopt a Highway Program), RYLA (Rotary Youth Leadership Awards), Mountain Backpacks and the 285 Backpack project (food for local families), Imagination Library (books for children), the seniors' Thanksgiving Luncheon, Diversity Day at Evergreen High School and funding for college scholarships. These are just some of the local programs in which the Evergreen and Conifer Rotary Clubs will be investing this year's funding from the Mountain Area Home and Garden Show.

NEW
LOCATION

Center for the Arts Evergreen
"Bringing the Arts and the Community Together"

Center for the Arts Evergreen is proud to announce that the future home for the center, which was purchased in October, 2015, has received a Historical Designation from Jefferson County. Part of the building was the original Soda Creek school house which dates back to the late 1880s. The former Bergen Park Church (located on Hwy. 65 in Bergen Park, Evergreen) is a historic structure in Evergreen that was in danger of demolition. The preservation of this building was a compelling reason to choose this the site for the new Center. The historic integrity of the building will remain, but cutting-edge design, technology and function will be the focus of its transformation.

**Come celebrate the new location for the
Center for the Arts Evergreen! The new building's
Grand Opening is on September 16th from 4pm-8pm.**

Senior's Resource Has a New Director!

Recently longtime SRC head John Zabawa announced his retirement and the search was on for a new leader. The Senior's Resource center is proud to announce they have hired Monica Roers, originally from Minnesota, to lead the organization forward. She has served as the director of community support services for the Adams County Department of Human Services as well as other nonprofits. SRC has three locations, Wheat Ridge, Littleton and of course our Evergreen office which is run by Nancy Tzeng. The senior population in the mountain community will double over the next 10-15 years and The Senior's Resource Center is making plans to meet the local growing demands.
