## **The Chamber Connects You to Summer Fun!**

The Evergreen Chamber website receives almost 20,000 page views each month and one of our most popular pages is the events calendar. Here you can find all the details you need to firm up your summer plans.

Wondering who's playing at the Evergreen Jazz Festival? Check the Chamber website. What time are the performances for the Evergreen Players show Spamalot? Click on the All Events tab on the Evergreen Chamber homepage. Have you signed up for the Evergreen Town Race that benefits Alpine Rescue? August 6th on the Chamber website is your direct link to sign up. Do you wonder where to park for the Evergreen Fine Arts Festival on August 26? [EvergreenChamber.org](http://EvergreenChamber.org) is your go-to spot for information on all community activities. Visit anytime when you want to know what to do and where to go.

On July 13 we co-hosted with the Evergreen Park and Recreation District the second annual FREE Community Appreciation Party. It was our chance to say thank you Evergreen for your support of our organizations. Over 300 people came and enjoyed food from Biscuits and Berries Catering, music by Sound Mountain Entertainment and beverages supplied by the Chamber and EPRD.

The party was also host to a senior services fair. Mount Evans Home Health and Hospice, Senior's Resource Center, Brookdale Senior Living, the Balance Class from Mountain View Physical Therapy and much more shared what they have to offer with the public. Most people today do not need what they have but it is great to get exposed to what's offered locally before you require it rather than wait until a crisis situation. If you missed the event and want to research senior support activities, just contact the Chamber or go to our website. We are here as your central point of information and we are happy to help.

The job of the Evergreen Chamber is to help build business relationships, promote our community both locally and elsewhere, and represent our local needs, wants, desires with our county government acting as one strong voice, representing many. If you have questions or we can help you in any way, please contact us. You can also visit our website and view the links to government presentations, where to host a wedding, where to hike, even what live music is happening this upcoming weekend. We are here to provide you with the information and tools you need to have fun.

Follow us on Facebook, Twitter and LinkedIn. Thank you for your support.

### POLIO ERADICATION

Rotary is close to eliminating the second human disease in history after smallpox, with a 99.9 percent reduction in polio cases worldwide since 1985, when Rotary launched its PolioPlus program. In 1988, Rotary spearheaded the creation of the Global Polio Eradication Initiative with the World Health Organization, UNICEF and the U.S. Centers for Disease Control and Prevention. Polio eradication remains Rotary's top priority. To date, Rotary has contributed more than US\$1.6 billion and countless volunteer hours to help immunize more than two billion children against polio in 122 countries. Currently, Rotary is working to raise \$35 million per year through 2018 for polio eradication, which will be matched 2 to 1 by the Bill & Melinda Gates Foundation.

Seasonally Yours has a new logo! Owner Rachel Nicks started bringing her dog Porter (the Berner) to the store last Fall. He strategically likes to lay in the middle of the walkway so when people walk in the door they have to step over him thus resulting in lots of pats and belly scratches. People are always so amazed of how big AND gentle he is. Berners are really gentle giants - they make excellent family dogs and hiking buddies, kids can climb all over him and he loves it. After a few days of Porter "working" at the store, people started stopping by just to see him! Oh the look on their faces when they'd stop by just to see him and he WASN'T here - such disappointment. Now Porter has a strong fan club and although he hasn't been in the store that much since the temperatures have gotten warm, Rachel assures everyone that he'll be back as a regular this Fall. Stop by and say hi to the star of their new logo, Porter.

## Evergreen Fire Rescue Wins EMS Award for 4th Consecutive Year

The American Heart Association has awarded Evergreen Fire/Rescue a Mission: Lifeline Bronze Level EMS Recognition Award for its identification of and response over the last year to patients experiencing an ST-elevation myocardial infarction (STEMI), otherwise known as a serious heart attack.

The award recognizes the department's paramedics for timeliness in treating patients with non-traumatic chest pain, as well as patients experiencing a heart attack. In order to be considered for a Mission: Lifeline award, emergency medical services departments have to treat and transport patients experiencing heart attack symptoms in a timely manner — less than 30 minutes for patients that ultimately receive what's known as fibrinolytic therapy, and less than 90 minutes for those who undergo a procedure known as a coronary angioplasty — at least 75 percent of the time.

According to Fire Chief Mike Weege, the department has been recognized by the AHA for its response to heart attacks four consecutive years.

"In 2014 and 2015, EFR received the silver level award and in 2016, we received the gold level award," said Weege. "This year, we received the bronze, and that's only because our call volume to STEMI incidents was low. When receiving the 2015 award, we were told that EFR was one of the only two St. Anthony's Hospital providers to be recognized."
