## Come to Taste of Evergreen!

For the sixth year in a row, the Evergreen Area Chamber of Commerce is proud to host The Taste of Evergreen. The party will be held Friday May 11th, from 5-8pm, at the Evergreen Lake House. We will have food samplings from some of our area's best restaurants and caterers, plus music from Sound Mountain Entertainment! Last year we had a sellout crowd of over 300 people. We have a free shuttle from Christ the King Church to the Lake House starting at 5pm.

Who will win our annual Chamber One Bite Challenge? Food vendors will bring a set of single "bites" of food for people to try and vote on as the Best Bite of the Taste. You taste, you enjoy, you be the judge! Last year our winners were 1st place Lariat Lodge Brewing Company, 2nd place MacNation Café and 3rd place went to Blackbird Café and Tavern. We also had a Best Sip of the Taste that went to El Rancho Brewing Company. Curious which restaurants, breweries and wineries are participating? Visit our website for the full list, gather your friends and join us!

New this year is a beer and wine garden with an exclusive VIP Sip Tasting Happy Hour that runs from 4:30 to 5:30, limited tickets available on our website. All tickets can be purchased online for \$25 per person. At-the-Door prices will be \$35 each. Ticket price includes entry, 2 drinks, appetizers, for \$5 a chance, the opportunity to win great raffle prizes. Proceeds from the raffle go to support the Evergreen Chamber College Scholarship Fund. Each year we give out 4 awards to students going on to study business.

The Taste of Evergreen event does sell out so advance purchase is recommended. You can purchase tickets online at [www.Evergreenchamber.org](http://www.Evergreenchamber.org) or by calling 303-674-3412.

# WHAT'S NEW WITH THE CHAMBER?

## New Chamber Website Launch!

Later this month we are launching a new and improved Chamber website. It is cleaner, easier to navigate and has improved SEO capabilities. Our goal is to bring increased value and visibility to our members. Key to the Chamber's mission is to grow the local economy. The way that can happen is for more potential customers to discover local companies with which to do business=YOU. Watch the weekly blast to know when it goes live and let us know what you think.

## Chamber ROI Growth Strategy

On March 28th we launched a new effort to increase ROI for the Chamber and it's members. By staying true to our mission statement (strategy) we are using the existing communication tools we have in a different way. Our first Facebook live video that explains what we are doing has reached almost 3800 people so far! Our highest performing post prior to that was less than 1000. Our followers have gone up 20% in three weeks. Our online engagement has gone up. Please make sure you visit our Chamber Facebook page, like and watch we are doing. Our goal is to increase visibility for all of you which translates into more potential customers seeing what you have to offer. We will show what we are doing and tell you how you can follow our lead in growing your audience, your ROI.

### Have fun and raise funds...

**Mountain Area Home & Garden Show.**  
**April 28th and 29th (10.00-5.00 and 10.00-3.00). Evergreen High School.**

This is a fun local, foothills event and has a unique atmosphere that you won't find in the major home shows that are held 'down the hill'.

Contact: Janine Payton, Chair  
Email: [info@homeshowcolorado.com](mailto:info@homeshowcolorado.com)  
Website: [www.homeshowcolorado.com](http://www.homeshowcolorado.com)

Evergreen and Conifer Rotary Clubs created the show 13 years ago and manage the event each year. In 2017 the event raised \$25,500 with the two clubs distributing the proceeds amongst local area non-profits and other charitable causes; more than a dozen programs and initiatives have been supported by funds raised through the show.

Also, 500 pounds of food was donated by show attendees for the ECHO food bank. It's a \$5 ticket to get in (which covers both days), however, donating two or more non-perishable food items will get you through the door instead (and help ECHO too).

Generators, fireplaces, building supplies, landscaping products, decking, remodeling, water and air purification, kitchen and bathroom cabinetry, cutlery and kitchen tools, hot tubs, tree services, shades shutters and drapes, health and wellness, clothing, solar roofing, metalwork, flooring, hammocks - you name it, it will be at the show...
