ISO Business Recommendations and A FREE Community Party

Did you know that ISO means "In Search Of"? I see on Facebook, Nextdoor and many other sites residents typing the phrase "ISO electrician", "ISO local dentist so I don't have to drive down the hill", "ISO reputable contractor", "ISO a job in the mountain area". Every chance I get I reply back with recommendations for local services with their telephone numbers and website to help locals connect to the referrals they need. As President of the Evergreen Chamber it is my job to facilitate the connection.

We tell everyone who asks the best way to find a recommendation is to visit the Evergreen Chamber website under the Business Directory tab! A one stop shop for all contact information for local businesses. This is what the Chamber of Commerce is all about. Recommending one of our 500+ members who support our community by being a part of the Chamber. These businesses have demonstrated that they are excited to be part of and serve a growing economy with quality services and customer care.

I also see on Facebook and Nextdoor that the folks asking for recommendations for services are not just new to the area. Many of them are families that I personally have known for years, our kids went to school together, we see each other at the grocery store. My staff and I are proud to tell residents about who does what, who we have experience with and how to get things done. All of us research online and talk to those we know to make purchase decisions especially on things that you don't buy every day such as a new deck, a furnace or a new kitchen. By asking the Chamber of Commerce what local business they recommend it can simplify the research process and get you moving on to getting the job done. Thank you to all our members for giving us the opportunity to get you connected to customers.

Time to celebrate! The Evergreen Chamber and the Evergreen Park and Recreation District have once again partnered to thank our community for their support. Join us at our annual summer appreciation party-free food, drinks and fun for the whole family! Music by Advanced Mobile DJ is sponsored by the Canyon Courier. Last year we had over 300 people stop by Buchanan Rec Center to join the fun. We are excited to thank you Evergreen for your business on Thursday July 12 5-7:30 pm, join us! The party is for everyone living and playing in the mountain community. Bring your friends!

Remember, ISO a recommendation? EvergreenChamber.org is available 24/7 and has everything you need!

Pure Spectrum Lands Sponsorship with CrossFit Games *

Officials at Evergreen-based Pure Spectrum are thrilled that their logo is now on the CrossFit website as a premier sponsor of the 2018 Reebok CrossFit Games.

Daniel Huerter, Pure Spectrum's chief operating officer, called the sponsorship good for both the cannabidiol — or CBD — industry and good for the business. "This is a big thing for us" Huerter said because it's the first time a CBD company is directly connected with such a prominent national athletics competition.

EVERGREEN ROTARY NEWS

Evergreen Dental Group Wins Rotary's Ethics in Business Award

The award comes with a \$500 prize to donate to the charity of their choice.

In 2009 the Rotary Club of Evergreen awarded its first annual 'Ethics in Business Award'. Each year since, Rotary Club members have nominated businesses and business professionals for the award that they believe comply with Rotary International's guiding principles – as defined by its Four-way Test:

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

Evergreen Dental Group's owners, Jeff and Bev Sprout, have been in Evergreen for 21 years - since they graduated from CU school of dentistry in 1997. Their business has focused on optimizing everything: from the number of patients the practice can see, to the patients' experience, to the number of jobs they could create, to the amount of money they could give back to the community. Evergreen Dental Group currently employs forty staff and has five dentists - some employees have been with the practice for over 20 years. Bev and Jeff almost always say 'yes' when they are asked to support community schools, fundraising events and non-profit organizations. In addition to the regular pro bono work that they undertake throughout the year, Evergreen Dental Group also hosts an annual 'free dental day' when anyone in need can get dental care for free.

Rotary
Club of Evergreen Colorado

On winning the award, Bev Sprout commented:

"This award is about ethics. It is the most meaningful distinction we could ever receive. We work hard to maintain a business built on a foundation of ethics and will continue to do what we do guided by our faith, morals and values, and striving to impact others, and our community in a positive, fair and beneficial way."
