Celebrating Successful Businesswomen

Success breeds success and we are fortunate in our mountain community to have a large group of female businesses owners, directors, managers and more who consistently work together to help each other succeed. As a Chamber of Commerce it is our mission to grow our local economy and build business relationships and it is our pleasure to recognize and celebrate that success.

We invite you to join us for the annual Mountain Area Women in Business Luncheon, Friday September 14 at Mt. Vernon Canyon Club. Each year the event sells out to 150 ladies who enjoy an elegant meal, network with other career focused women and hear from an inspiring speaker on creating a vision of leadership in your business. Thank you to Title Sponsor Lutheran Medical Center/SCL Health.

Our keynote speaker is executive business coach and experienced presenter, Kari Granger, CEO of The Granger Network, who will share what it takes to be a transformative leader that produces unprecedented results in your business and for your community. Thank you to Mountain Hearth and Patio for sponsoring our speaker.

New for 2018 are the Mountain Area Women in Business Hall of Fame Nominations and Inductions. We ask that you nominate an outstanding female leader in our community. Someone who is successful and acts as a mentor to others. Nominations are open now but will close Friday, August 17. From the list of nominees our committee will choose three to be inducted into the Hall of Fame. Their names will be on a plaque that will hang in the Chamber office and each year new names will be added. Thank you to RPM Agency for sponsoring our Hall of Fame Awards.

Save the date for our next member and community breakfast, Wednesday September 5. Our speaker will be Don Davis, Jefferson County Manager. What exactly is a county manager? He is someone who manages the day to day operation for all departments under the Board of County Commissioners. He works directly under the Commissioners to make things happen. Join us, get a great meal, the latest community information and network with others to grow your customer base.

Thank you for your continued support of the Evergreen Chamber and our local businesses. Call us anytime you need a recommendation, referral or just want to know what's happening around town. We look forward to helping you grow your connections to clients, customers and all things Evergreen!

CHAIRMAN'S CIRCLE SPOTLIGHT

**An Interview with Kristin Puls , Owner
Quality Connections Southwest
(303) 670-1683**

Q. How long have you been in business?

The Quality Connections franchise is 20 years old, making us the oldest marketing magazine in the state. Our Denver metro focused magazines (5 different regions) have been publishing for 13 years.

Q. How often do you publish? How many subscribers do you have?

We publish five times a year (January, April, June, August, October), and each of our five zones goes out to about 60,000 people. So that's 300,000 people in all.

Q. What is new with Quality Connections Southwest?

Very exciting things! We have merged ownership to expand beyond our three magazines and include an additional two zones. My father, Russ, started his three magazines in 2005. Last month, I partnered up with another Quality Connections publisher, Jim Prochaska, to purchase my father's magazines and manage them along with Jim's additional two publications, which have been mailing out in east and northeast Denver metro. By combining forces, we are now mailing out to the majority of the Denver metro area. I am heading up art, raising the bar in the design department for all our clients. And Jim is heading up our sales team to bring our readers an even richer mix of businesses. Most importantly, we are focusing on expanding our digital presence to bring readers great offers in print, online, via social media, email campaigns and a mobile app.

Q. Why are these new aspects important to the business?

While print is certainly NOT dead, we recognize that it does need to be paired up with a strong digital and mobile presence to go the distance. We're confident that by introducing more digital offerings and using the available technology to reach readers not only in their mailboxes but also on their phones and computers, we'll be successfully growing Quality Connections for the next decade and becoming even more valuable to Mountain Community residents looking to shop local.

Q. Is there anything else you would like your fellow Chamber members to know?

We are expanding and hiring! We're seeking driven and independent sales people as well as on-trend graphic designers.
