Thank You Mountain Community!

"We see our customers as invited guests to a party, and we are the hosts. It's our job every day to make every important aspect of the customer experience a little bit better."

Jeff Bezos, CEO Amazon

Jeff Bezos is spot on when he describes how businesses should view their customers. Ellen O'Connor, Executive Director for the Evergreen Park & Recreation District, and I as the President of the Evergreen Chamber lead our organizations to embrace the importance of the customer experience. Thanking our customers is a critical component of that experience.

For the last four years we have joined together to host an annual community appreciation party. The purpose of the party is to say a big THANK YOU to everyone living, recreating and shopping local. Games, music, drinks, snacks and a fun raffle are all planned as part of the festivities. PLUS the Buchanan Park Recreation Center will be open to the public for FREE from 5-7:30 pm for all to enjoy the pool, weight rooms, rock wall and so much more. We are looking forward to seeing everyone at 5pm on Thursday July 11 at Buchanan Recreation Center.

July is National Park & Recreation Month and it is also the 50th anniversary of the Evergreen Park & Recreation District. The Chamber turns 50 next year and we hope you will come celebrate with us then as well! EPRD and the Chamber would not be what they are today without the patronage and the support of our local community. Once again, thank you for your patronage.

"Every company's greatest assets are its customers, because without customers there is no company."

Michael Leboeuf, author, "How to Win Customers and Keep Them for Life"

Taking the time to say thank you is something we all strive to give and hope to receive. Showing your appreciation of customers and clientele is important to good relationships and it is just the right thing to do.

We at the Evergreen Chamber practice something we call "Thank you Thursdays". Each Thursday we reach out to various Chamber members and thank them for the opportunity to recommend their services to others. We express our gratitude plus it gives us a chance to connect with them and find out what is new that we can tell others about. These businesses are our customers and we are proud to work with them each and every day.

We look forward to seeing you at the party on July 11!

EVERGREEN ROTARY NEWS

Monty and Kate Porter of Olde's Garage Win Rotary's 2019 Ethics in Business Award.

*The award comes with a \$500 prize to donate to the charity of their
choice, and they have chosen Mount Evans Healthcare & Hospice to be
the recipient of the funds.*

In 2009 the Rotary Club of Evergreen awarded its first annual 'Ethics
in Business Award'. Each year since, Rotary Club members have
nominated businesses and business professionals that they believe
comply with Rotary International's guiding principles - as defined by
its Four-way Test:

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

The other four finalists for this year's award were:

Dr. James Hutcherson of Arapahoe Peak, Gail Riley of Highland
Haven Creekside Inn, Beth Andersen-Filson, Atty. for Andersen Law,
and Trevor Noel of Wander Unlimited.

Monty Porter represents the fourth generation to work in the
family business under the guidance of his mother, Kate Porter
(formerly Olde). Brother Rick Olde serves as the shop's Vice
President and grandfather, Gerry Olde, 94 still drives himself to the
shop to check in on things and visit with family and customers. The
business was founded in 1921 by Gerry's father, Herman Olde and
the original premises were in downtown Evergreen where
Creekside Cellars is today.

Q: How did you get started in this business?

Our interest in real estate began in the early 2000's with the purchase of a couple of rental properties. Our real estate business started in 2012 with a combination of sales and residential home rehabilitation. We successfully purchased, remodeled and sold 13 homes over a 3 year period, while engaging owner clients in purchases and sales as well. The satisfaction in helping clients sell at the best price and terms, and/or purchase their ideal property, has been the source of our passion for the business.

Q: What is new with your business?

We recently joined Windermere Real Estate here in Evergreen, and are absolutely delighted with the change. Our desire has been to grow our business in Evergreen as well as the Denver Metro area, and the opportunity to join John & Yvette Putt and contribute to the success of the brokerage, was ideal.

Q: Who is your ideal customer?

Our clients are anyone who has a desire to sell a residential property or who are looking for that desired next home. We also work with investors who are seeking rental properties to hold for long term investment, or distressed properties for rehabilitation and shorter term sale. Our passion for exceeding our clients expectations, and adding significant value to the real estate transaction process, sets us apart from other real estate brokers. Within the business community and the Evergreen Chamber of Commerce, mortgage lenders, property insurance agents, and attorneys would be valuable partners, though the need for quality real estate services can originate from any business category.

Q: How do you advertise your business?

Windermere agent website, marketing collateral sent regularly to past and prospective clients including a monthly newsletter containing valuable updates on market conditions, and attendance at Evergreen Chamber activities. We have recently formed a new Evergreen Chamber Leads group (Day Break B2B Leads Group) as well.

We have advertised in the Evergreen Chamber Visitors Guide & Map, and you can find us on social media: Facebook, Instagram, Google My Business, listings and open house brochures.

Evergreen Photographer Earns Certification

Ellen Nelson has earned the prestigious Certified Professional Photographer (CPP) designation from Professional Photographers of America. Ellen achieved the certification after completing an intensive program that measures her artistic and technical competence. Professional Photographers of America currently recognizes fewer than 2,500 CPPs nationwide.

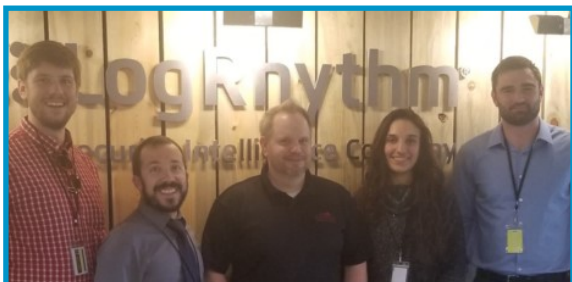

Ellen's photographs are displayed at The Evergreen Gallery and galleries in Idaho Springs, Georgetown and Golden.

As a new member of the Chamber, Ellen is offering specials on business portraits, headshots and senior portraits.

Congratulations Red Rocks Community College Cyber Security Team!

It has been a long and exciting journey for the Red Rocks Community College (RRCC) Cyber Security Team, whose hard work and dedication has gotten them farther than they could have imagined.

Starting January of 2019 the RRCC Cyber Security Team entered the qualifying event for the annual Rocky Mountain Collegiate Cyber Defense Competition (RMCCDC). They finished 1st first in the event!

Moving on to the regional event hosted by Regis University in March, the team took 2nd second place, which earned them a spot on the school's timeline wall.

Now the Cyber Security Team is the only US Team going to Singapore in June to compete in an international Cyber Security competition, the Cyber Defenders Discovery Camp (CDDC) hackathon.
