

Annual Community Santa Breakfast Saturday, November 30, 2019

Sponsorship Opportunities

On the Saturday after Thanksgiving, the Evergreen Chamber will once again host the Breakfast with Santa event. The morning brings visitors and residents to town for a signature holiday occasion and local holiday shopping for Small Business Saturday. Four seatings of delicious breakfast with live Chamber Music await families that would like to meet with Santa and Mrs. Claus in an intimate setting, letting them know their wish list desires. The draw is that the Claus couple strolls among the guests, pose for multiple pictures and speak to children individually. Tickets are sold online only and this event always sells out. Tickets go on sale October 14.
