Loving Our Local Businesses

Shop local this holiday season! We have terrific options for gifts right here in town. The Evergreen Chamber is doing its part to bring residents and visitors to our local establishments by hosting the 12th annual Santa Breakfast Saturday November 30. Although the event is sold out it has an important role to play. Families spend the morning with Santa and Mrs. Claus. They are encouraged to park downtown, take the FREE shuttle to the event at The Bistro at Marshdale and then return to browse the shops and celebrate Small Business Saturday in one of the best towns around! Thank you Citywide Banks for sponsoring Santa, the Downtown Business Association for sponsoring the shuttle and Evergreen Orthodontic Specialists and Ovation West Holiday Performances for sponsoring the event volunteers. Plus, there is a special offer from Seasonally Yours on the back of every ticket to again encourage shopping in Evergreen.

The Evergreen Chamber Sparkle and Shine Holiday Gala and Business Awards will be held at The Wild Game on December 12. Who was nominated for our annual awards? Check our website for a full list. Who will win 2019 Business of the Year, 2019 New Business of the Year, 2019 People's Choice Business of the Year or the 2019 Young Professional of the Year? Come to the event and find out! The party is the perfect way to kick off the holidays celebrating business success. Enjoy the music of The Mostly Pretty Random All Stars and find early Christmas gifts at the silent auction sponsored by Big O Tires Evergreen and Red Rocks Community College. One of the biggest prizes at the party is the \$1000 cash raffle sponsored by Colorado Serenity Magazine. Think of the fun you could have if you won \$1000 cash on the spot! Proceeds from the raffle go toward the four annual college scholarships given out by the Evergreen Chamber. Auction proceeds are used to help run the visitor and local information center year round. Tickets are on sale now on our website.

The Evergreen Area Chamber of Commerce is focused on supporting both our business and residential communities. A strong economic environment supports increasing property values, award winning schools, and a way of life we all appreciate. Anytime you have questions about what is happening or need a recommendation for services-go to our website or call our office. We are here to help.

Caldwell Insurance Agency, Inc.

bcaldwe1@amfam.com

What is your mission statement & what are your company goals?

I am very excited to be here in Evergreen. We opened the Caldwell Insurance Agency Inc.-American Family one year ago on December 1, 2018 (Happy 1 year anniversary to us). It has been my personal goal to own and operate a business for quite some time. When the opportunity became available for this local agency here in Evergreen I knew it was the right place and fit for me. Our agency believes in Dreaming Big, helping to enrich others, delivering service in excellence and doing what is always right. (You can call this our value/mission statement). The goal is that we want to be the #1 agency in the mountain area.

Tell us about your business and your clients:

We are a local business, and we are proud to fly the American Family flag above our door. What is unique about AMFAM is that we are a mutual company, meaning we are owned by our policy holders. Some people don't know this but the company is 90 years old and services in 19 states with our branded American Family products. However we own the General, Homesite, Ameriprise Insurance (COSTCO) and other major brands that cover all 50 states. It's quite a unique business model.

Locally, our office employs two licensed service agents in property and casualty, along with myself as the Agency Owner. Most of our business is local to Jefferson County, Clear Creek County, Summit County and the surrounding mountain communities. We have the ability to service both commercial businesses, farm and ranch businesses, personal policies like Home, Auto, Renters, Life insurance and more.

What is new with your business?

Now that we have a year of operations under our belt we are ready to step out and start working with the local Evergreen community. We are excited to announce our Title Sponsorship of the Skate the Lake New Years Celebration that the Evergreen Chamber coordinates. We have signed a multi year deal with The Chamber to present to you this great family friendly event to celebrate new years eve. We look forward to seeing everyone at the event to kick off 2020!

banking for good

What service(s) or product(s) do you offer/manufacture?

FirstBank has been providing full service banking for over 55 years. We offer many mortgage programs including fixed rates, straightforward adjustable rate products, as well as First-Time Buyer and Affordable Housing programs.

What is your business's mission statement?

Banking for good for our customers, communities and employees.

What is unique about your business?

The majority of our loans are held in our own portfolio and you work directly with the decision maker. This gives us the flexibility to approve good, common sense loans that may not be approved under strict Fannie Mae or FHA guidelines.

Does the company give back to the community? In what ways?

Since 2000, FirstBank has contributed over \$65 million and countless hours to charitable organizations. In 2018 alone, FirstBank donated MORE THAN \$4.93 MILLION and over 23,000 hours of volunteer time to local charities in CO, AZ and CA and financed over \$112 million in loans to affordable housing providers.

Rotary

Club of Evergreen Colorado

What's in it for me?

You've probably asked yourself this question if you've ever considered joining a service club. Here are the reasons given most often by our members:

- A great way to meet like-minded people in the community
- An opportunity to be involved in meaningful service projects in Evergreen and internationally
- Excellent business networking opportunities
- A way to set an example of service and philanthropy for my young children
- Giving back has never been so much fun

You're Invited

What: Rotary Breakfast, Fridays, 7.00 a.m.

Where: Evergreen Country Day School, El Rancho (behind Home Depot)

Why: Because we value our Evergreen Community and welcome those who'd like to get to know us to share in our fun, enjoy engaging speakers and build your business.

Connect: Log on to evergreenrotary.org for a list of speakers. Call or email Chuck Adams if you'd like more info and/or wish to attend chucka@1updrones.com - 972-567-2059

Interview with Jonathon Jundt
D.D.S., M.D.
720-990-5500 evergreenoms.com
28000 Meadow Dr. Suite 110
Evergreen 80439

How did you get the background and skills necessary to run this type of business?

I have a M.D.M, D,D,S., and F.A.C.S. I also went to school at the University of Texas to accomplish this.

What is your company's goal?

To give personalized patient care
To make sure the patient knows we're here to help
To ensure confidence in our community.

What is unique about your business?

I am the only board certified OMS in the region.

Some aspects that are important to my business

We offer virtual surgical planning and have advance imaging. The surgical planning provides our patients with some extra confidence; being able to show them what will happen during the advanced surgery procedures. It allows me to create a specific plan catered to this specific patient. The advance imaging allows us to see more of the root cause of some issues that our patients are experiencing.

For \$99 you can include an ad in one of our Monthly Chamber Newsletters, which is emailed out to our 3,000 contacts.

Operation Christmas Child

On Nov. 18, Ascent Church in Evergreen will serve as a drop-off location for shoebox gifts—filled with fun toys, school supplies and hygiene items—for the Samaritan's Purse project.

During the project's National Collection Week (Nov. 18 – 25), this site will collect shoebox donations for children living in poverty overseas. Ascent Church volunteers hope to collect more than 2000 shoeboxes to contribute to Operation Christmas Child's 2019 goal of reaching 11 million children in need.

eLearning Course for Coloradoans

The Colorado Secretary of State's Business Intelligence Center, in partnership with the Business Research Division of the University of Colorado, has launched a Data Tools eLearning course to teach Coloradans how to access, interpret, and analyze public data via a step-by-step tutorial. Knowing how to access and utilize public data can help businesses with strategic planning and decision-making.

By the end of the new online course, participants will be able to access federal and state public data sources, and work with and analyze public data to make informed business decisions.

Echo Mountain

Interview with Fred Klaas
General Manager
(970) 531-5038 echomntn.com
19285 Hwy. 103
Idaho Springs, 80452

Q: What services or products do you offer/manufacture?

Echo Mountain is Denver's closest and most affordable skiing, snowboarding and tubing. We are open to everyone, 7 days a week, including 4 nights until 9:00 pm. We are also starting to host events, concerts, weddings and more as we get into 2020!

What inspired you to get started in this business?

With the cost of time and money required to ski and snowboard, we recognized an opportunity to do things differently by trying to offer something closer to Denver and more affordable than the big resorts.

How did you get your idea or concept for the business?

We looked very closely at past Echo concepts, as well as, what other areas in Colorado offered and felt like not only was there a gap in the market, but a huge opportunity. We are trying to buck the trend of the mega-resort by offering something guests still identify as their home resort.

What is unique about your business?

We feel like we really are unique in a lot of ways! Everything from our customer base, which is an awesomely eclectic mix of locals and advanced skiers and riders to folks trying skiing or snowboarding, or even seeing snow, for the very first time.

How do you measure success and over what time frame?

We try to measure success in two ways. One is by looking at how guests rate our customer service and leave Echo happy and excited about their time skiing and snowboarding- whether for their 1st or 500th time. Another is through the more traditional lens of financial stability – how do we get to a point where this business can be sustainable and avoid confusing cycles of death and rebirth.

What is the best part of working for this company?

Our team definitely starts to feel like a family by the end of the season. We're a small, tight-knit group that has to work together to deliver the kind of service and experience for which we strive. The relationships employees build with each other, and with our guests, is pretty awesome.

Is there anything else you would like your fellow Chamber members to know?

We're not a terrain park! And we're not a private race training facility! We've been hard at work to rebrand and build awareness of who we are and what we offer (and have for 3 years now), but we still struggle with some confusion around the ghosts of Echo's past.
