Every business is NOW OPEN in our community. In honor of this positive step toward economic recovery we are declaring this to be business appreciation month. Our businesses have stayed positive through the various stages of the COVID19 crisis and finally they are open. What does that mean? It means that is time for all of us to get out and show how thankful we are they have survived by shopping local. Make appointments with your doctor, dentist, orthodontists, etc that you have been putting off this spring. Get yourself back on track just like our businesses are. Do some shopping for yourself and loved ones and enjoy getting out and about.

What has the Evergreen Chamber been doing to help get business up and running? In the past month we have worked with the county not only to ease restrictions on businesses but to successfully apply for a variance with the state to increase the amount of customers our businesses can serve. We also worked with the county to set up a small business grant program that offers money to our local small businesses to get them through this last phase of reopening. We have provided lots of free marketing and exposure to all to make sure our community knows they are open. We have continuously updated our website with the resources from the federal, state and county levels leaders that business needs to navigate the complicated waters of re-engagement following a global pandemic.

How can you appreciate business? Get back in the habit of stopping into stores and saying hello to the owners. Our restaurants are all open and following the social distancing guidelines provided by the state. Think about asking a friend to meet for coffee or lunch. Heading back to our restaurants will seem weird at first and all of us will do it when ready. When you are ready, think about how great it will be to have someone cook for you, serve you and do the dishes! We have all come through this together and it is time to pamper ourselves, relax and enjoy the great outdoors.

Speaking of the great outdoors, Governor Polis has encouraged people to get outside and play. What that means for our mountain community is that more tourists will be here enjoying what we all know as some of the best scenery around. We all will need to be patient with visitors and have an awareness that parking on the weekends will be a challenge for residents but it is an opportunity for businesses to receive more customers that can help sales during this phase of recovery. Remember, it is business appreciation month. We need to work together to encourage shopping, eating and playing in our mountain community. We have the flexibility to shop and eat whenever we want and business needs the revenue. If you happen upon a visitor to our community please tell them about your favorite place and give them the directions to get there.

What about nonprofit businesses? How can we as a community show our appreciation when all summer events are cancelled because of the need for limiting the size of social gatherings? These events typically raise thousands of dollars for our nonprofits and now they are raising zero. Show your appreciation by making a donation to the organizations who run your favorite summer events. Even just the cost of a ticket makes a difference. Do you miss theater performances? Go to your favorite theater site and make a donation in the amount of a ticket. Any size donation helps and lets your favorite organizations know that you appreciate them.

Again as always, on behalf of our business community I would like to say thank you. Thank you for social distancing and wearing masks when appropriate in respect of those around you. Thank you for supporting local nonprofits, merchants, spas, restaurants, gyms and services. Together we can make business appreciation month a success for all!

**Betsy Hays, President & CEO**

Evergreen Chamber  
(303) 674-3412 | [EvergreenChamber.org](http://EvergreenChamber.org)

For additional information related to the updates listed below please visit [EvergreenChamber.org/covid-19-business-resources/](https://EvergreenChamber.org/covid-19-business-resources/)

## Safer At Home Extended until July 1st

Executive Order D 2020 091 Safer at Home and in the Vast, Great Outdoors still strongly encourages that people at risk of severe illness from COVID-19, remain at home or in the great outdoors as much as possible, but allows limited reopening of post secondary institutions and certain businesses.

Additionally, individuals are encouraged practice Social Distancing to reduce the likelihood of disease transmission, but certain activities, such as gathering in groups of no more than ten for activities, are permitted.

## Jefferson County Variance Request Approved!

The Colorado Department of Public Health and Environment has approved Jefferson County's request for a variance to the statewide Safer-at-Home and in the Vast, Great Outdoors order with some modifications.

The county's variance request addresses: gathering size; places of worship; gyms; indoor retail malls; outdoor recreation; indoor and outdoor museums and educational experiences; graduations; brew pubs, distilleries and other similar places; event centers; and some additional businesses not specifically provided for in the state's order.

The county's variance allows certain things that are not yet in the state order, such as:

- Indoor malls can begin to open, with a plan approved by Jefferson County Public Health.
- Graduations can take place, with a plan approved by Jefferson County Public Health.
- Gyms or places for personal recreation can have up to 50% occupancy or 50 people (whichever is less) in each confined indoor space-meaning each room can hold 50.
- In outdoor settings, the variance allows for 125 people.
- Event centers can operate with 25 people indoors and 50 people outdoors, beginning NOW through July 31, and with 50 people indoors and 100 people outdoors beginning August 1.

General guidance for different industries has been released by the Colorado Department of Public Health & Environment can also be found on our website.

## Jeffco Emergency Grant Fund Adjustments & Deadline Extension

The Jeffco Emergency Grant Fund is designed to provide a financial bridge until small businesses can return to a more normal level of operation. As our community deals with the health and economic implications of the COVID-19 crisis, small businesses have been especially hard hit. Supporting our small business community is integral to creating jobs for our residents and bringing back the goods and services that provide us with the quality of life we value in Jefferson County.

We are so excited to let you know that the Jefferson County Small Business Grant for up to \$5000 for small businesses has been EXPANDED to include 1 person businesses with a physical location!

The County Commissioners have opened up the eligibility requirements and have extended the deadline. Here is the summary of the changes:

- The deadline scheduled to expire Tuesday June 9th has been extended to June 30 that 5:00 pm.
- Reduced the minimum number of employees from 2 to 1. This change will allow business owners working full time operating their business to apply for the grant.
- Eliminated the requirement for business to be current on property tax payments. \*The grants cannot be used to pay property taxes.

For additional information related to the updates listed below please visit [EvergreenChamber.org/wildfire-preparedness/](https://EvergreenChamber.org/wildfire-preparedness/)

## Are You Wildfire Ready?

Evergreen & Conifer rank #1 in Colorado and are in the top 10 nationally, for risk of property loss to wildfire.  
Prepare NOW so you are able to act quickly in the event of a wildfire.

### GET NOTIFIED!

Sign up for CodeRED Evacuation Alerts - You MUST register in advance to receive wildfire emergency evacuation notifications.  
Are you registered for your county's emergency notification system?  
Find where to register on our website, linked above.

## Jefferson County Slash Collection

It's Wildfire Season, Protect Your Home! Clear your property and bring your tree debris to the Jefferson County Slash Collection.

Removing slash and creating a defensible space around your home, is the first line of defense against wildfires. You can create zones around your home, removing any fire fuels, such as tree debris. Having a properly mitigated property doesn't mean that wildfire will pass you by, but it gives the fire department a better opportunity to save your home when it does come.

Link to slash collection calendar available on our website at [EvergreenChamber.org/wildfire-preparedness/](https://EvergreenChamber.org/wildfire-preparedness/)

## Have You Seen Our Signs?!

**We are excited to let the community know everyone is OPEN!**

# Wander Unlimited - Spotlight Interview

Interview with Trevor Noel, Owner  
Evergreen 80439  
(303) 351-2086  
wanderunlimited.com

## Q. What services do you offer?

Wander Unlimited is a digital creative agency, based in Evergreen, working with clients large and small across the country. Our specialties lie in branding and content creation, crafting stunning visual messaging for brands. We are storytellers across digital mediums, which has become increasingly important as individuals and businesses have been adjusting to a new lifestyle.

## Q. What inspired you to start Wander Unlimited?

Wanderers at heart, we began Wander Unlimited to blend our lifestyle and eye for design. Our business model allows us to be creative and nimble—which, yes, benefits us, but also benefits the client. We can create content from nearly anywhere and share it on any platform, allowing everyone to be happy and successful both in work and in life.

## Q. What is the future for this type of business?

As COVID-19 has shown us, much more life and business can be done online than we had been taking advantage of, clearing up time for family, hobbies, and caring for others and our world. Wander Unlimited helps our clients concentrate their messaging, making it beautiful and creative and then plant it on the screens of a highly targeted audience. We've seen our business dramatically increase because brands are farming out production work that was at one time handled in-house.

## Q. How are you involved in the community?

Working in Evergreen has become incredibly important to us. Wander Unlimited has worked with local businesses because we believe in the power of community and in supporting those who live and work right here in town. We also have worked with local non-profits (EChO, Athletes4Life, Active4All) and schools (Clear Creek School District) so that we're not only pouring into the local economy, but the culture and future of our town.

# The Barber Stop - Spotlight Interview

Interview with Lisa Jones, Owner  
4570 Highway 73, Evergreen 80439  
(303) 674-2257  
thebarberstopevergreen.com

## Q. Does The Barber Stop give back to the community? In what ways?

The Barber Stop puts a priority on giving back to the community. Lisa Jones, one of the owners gives free haircuts to orphans and homeless kids in Denver. We also work with Mean Street Worship Center and have a collection jar for donations to their street outreach.

## Q. Why do your customers select you over your competitors?

Our customers appreciate that we provide traditional barber services with a high degree of customer service. Every haircut comes with a hot towel on the neck and a neck shave as well free neck clean ups between cuts. We are a classic barber shop and we make our customers feel welcome.

## Q. What is unique about The Barber Stop?

The most unique aspect of our business is the way we support our barbers. We don't have employees but partners that build the business with us. We are a family here at The Barber Stop, and you're welcome anytime.

**A BARBER SHOP FOR THE WHOLE FAMILY!**

**ANY hair cut or service  
purchased in the month of  
June gives you chance to win  
FREE HAIRCUTS  
FOR 1 YEAR!**  
(12 hair cuts or 1 per month max)

**303-674-2257**  
**thebarberstopevergreen.com**  
**4570 Highway 73 • Evergreen, CO 80439**

## Q. Do you utilize social media? What platforms can we find you on?

We utilize Facebook and Instagram. We also have a website: TheBarberStopEvergreen.com. You can book appointments on our Facebook page or on our website.

## Q. How has being a member of the Chamber helped your business?

We have made invaluable connections with other business owners as well as great opportunities to give back to the community. We are so grateful for the support of this town and their passion for supporting local businesses.

**ANNIVERSARY**

## When It's Time To Get Back To Business,

## WE'D LIKE TO HELP!

## Online Data Workshop for Colorado Businesses

Research Division of the University of Colorado, has launched a Data Tools eLearning course to teach Coloradans how to access, interpret, and analyze public data via a step-by-step tutorial. These workshops, that connect business decision makers, economic development leaders, and entrepreneurs with public data from government agencies have been successful. By the end of the new online course, participants will be able to access federal and state public data sources, and work with and analyze public data to make informed business decisions.

The course is available and free to use on the Secretary of State's Tutorials and Training site: [sos.state.co.us/pubs/info\\_center/training.html#bic](https://sos.state.co.us/pubs/info_center/training.html#bic).

## Evergreen Country Day School to Build Athletic Performance Center

The state-of-the-art Hicks Family Athletic and Performance Center will be on the southeast end of the private school for kindergarten through eighth grade. The 10,000-square-foot addition will have a full-size gymnasium, bleachers, a lobby for concessions, locker rooms, a stage and a retractable door behind the stage that will lead onto a deck. When used as an auditorium, the center will accommodate an audience of 300.

Construction is expected to be completed by Thanksgiving, and the school also is remodeling areas of the school in conjunction with the construction, according to Kevin Neher, the capital campaign committee chair.

## Are You a Young Professional (21-40) or Young at Heart?

Would you be interested in a Chamber group for Young Professionals? We need your opinion!

## What's in it for me?

You've probably asked yourself this question if you've ever considered joining a service club. Here are the reasons given most often by our members:

- A great way to meet like-minded people in the community
- An opportunity to be involved in meaningful service projects in Evergreen and internationally
- Excellent business networking opportunities
- A way to set an example of service and philanthropy for my young children
- Giving back has never been so much fun

Thanks to our Evergreen Rotary Club sponsors:
