As the seasons change and Mother Nature reminds us that the cold weather is around the corner, I think many of us welcome the change. We look forward to that favorite sweater or sweatshirt, pair of jeans, lighting the fire in the fireplace or just snuggling under a blanket with a cup of hot chocolate. Some of us will put up holiday decorations. Our local businesses will be doing all these same things to make their businesses warm and welcoming. While trick or treating will look different this year, there is still plenty of fun to be had.

Expect to see downtown Evergreen ready for a Halloween costume parade on October 31st. Sign up for this event for kids of all sizes at: members.evergreenchamber.org/ After parading through downtown, kids will receive a bag full of goodies and treats. There will also be instruction on the "Thriller" dance! Think you have master pumpkin carving skills? Then go ahead and carve away, take a picture of your creation and post the picture to either Facebook or Instagram and tag #evergreencarvingcontest

After Halloween passes, plan to visit downtown Evergreen and all the local shopping areas for more "Warm and Welcome" decorations and events as Small Business Saturday arrives on November 28th and then December will be filled with fun options in both the Bergen Village Shopping Center and Downtown Evergreen. More on those next month!

So, enjoy that fireplace, snuggle up with the ones you love, but remember, we live in Colorado because it continues to be sunny and gorgeous so many days of the year for getting outside too! You don't want to miss out on any of the great offerings right here in Evergreen.

Anytime you have questions about what is happening, need a recommendation for services, need the actual date of a public event-go to our website or call our office. We are here to help.

Follow us on Facebook. Find us at EvergreenChamber.org. Call anytime (303) 674-3412.

Higher Ground Cleaning Services

Interview with Amy Sinnock, Owner

Evergreen, 80439
(303) 674-4442
higherground-cleaningservices.com

Q: What services do you offer?

We offer cleaning for carpets, upholstery, tile and grout, wood floors, and area rugs. We also offer house cleaning.

Q: Why do your customers select you over your competitors?

People love our honesty, integrity, customer care and quality. All of these things are core values of the business as well.

Q: What is the future for this type of business?

I believe it's a great future. Keeping things clean is not just a luxury, it's a necessity. I believe as people gain a better understanding of what having a clean home does for their health, they will want to clean and have things cleaned more often.

Q: How did you get started in this business?

It was really by accident. I needed a job in 2017 and was offered one by the prior business owner. I fell in love with the work and really wanted to continue to make a change in people's lives by offering the best clean I can. This led me to buying the business late 2018 and here we are today.
