NEW SPECIALS

Here are **new career activity suggestions** and ideas to engage your students, whatever your delivery method. Find resources related to these new core concept ideas at BridgesConnection.org/CareerActivities

Set up a **Work-Based Learning** or **Capstone** project — bringing together multiple skills to showcase what students have learned

Introduce a **Service Learning, Volunteering** or **Community Service** project — ideas that students can do independently or in small groups

Offer **InterviewStream** to students to let them practice their interviewing skills

Coach your students on how to conduct **Informational Interviews** — and let us help match students with professionals

Establish a **Student Mentoring** program — which can happen physically-distant via phone, text or email (eMentoring)

Create or maintain a **Career-Related School Club** — show students how to be adaptable and resilient by modifying how meetings happen and changing projects to meet current needs

Help students create a **Career Portfolio** — highlighting their achievement over time and can be accomplished digitally
