DETAILS

Vistra Corporation has a long-standing commitment to the economic development of the communities it serves. The supply chain diversity initiative was founded, and continues to be, based in the strength of this commitment. Endorsed and supported by the highest level of Vistra's management team, this initiative supports the development and utilization of businesses owned by women and minorities and the LGBT community. The commitment is about good business. Vistra recognizes that a successful, progressive and innovative supply chain Diversity Initiatives not only enhances the economic development of communities but strengthen Vistra's competitive advantage in the marketplace.

It is the policy of Vistra to procure goods and services from qualified suppliers and contractors. This policy ensures that diverse and small businesses have equal opportunities to participate in the procurement process. In supporting the development of such firms, Vistra actively seek qualified minority, women, and LGBT-owned business concerns with which to do business and endeavors to assist these business concerns with their development. In furtherance of this policy, Vistra participates in activities, organizations and programs which promote such enterprises. In addition, the company provides maximum practicable opportunity to companies designated as small business, small disadvantaged business, women-owned businesses, LGBT-owned businesses, small businesses located in HUBZones, and small businesses owned by Service Disabled Veterans. Administration and implementation of this policy is the responsibility of all organizations and business units throughout Vistra, with support of the supply chain organization.
