## Who are the Menomonie Young Professionals?

Mission: To grow young professionals' involvement and influence in shaping and highlighting the Greater Menomonie Area as an area that is attractive to young, diverse talent. A community influenced by young professionals is a community that can attract and retain them. The Menomonie Area Chamber of Commerce believes that the more informed, involved, and networked our young professionals are, the more influence they will have on what the Menomonie area is and what it becomes.

## Who Can Participate?

The Menomonie Area Young Professionals support the growth and development of 18–39-year-olds living or working in the Menomonie area.

## How Do Young Professionals Participate?

The Menomonie Area Young Professionals offers multiple ways to be involved. The first opportunity is to attend one of the Young Professionals events. We encourage you to bring your colleagues! The second opportunity is to serve on the steering committee which meets monthly and plans all of the Young Professionals events.

## Important for Local Businesses

- Retention – help your employees form bonds with other professionals and their community.
- Development – help your employees grow as leaders and assets to your organization.
- Branding – participate in and promote Young Professionals events to your employees to get your business's name out in the community.

## How Can Businesses Support YP?

- Promotion – Encourage your employees to participate in Young Professionals events
- Participation – Participate in our variety of events put on each year by the Young Professionals Committee
- Sponsorship – Support the Menomonie Young Professionals by becoming a sponsor. Monetary support is used to support the programming offerings.
