

## LAMAR BANK & TRUST COMPANY

*A Better Way To Bank*

Lamar Bank & Trust Company is proactively addressing the effects of the COVID-19 Pandemic event by implementing Social Distancing practices, as recommended by the Federal Centers for Disease Control. The purpose of social distancing is to reduce the frequency, proximity, and duration of contact between people to reduce the spread of contagious diseases. It is advised that people maintain a distance of at least six feet from each other in order to avoid transmission of the virus.

As we continue to monitor developments regarding the Coronavirus COVID-19, **no access will be granted into the Lamar Bank & Trust Company lobby without prior arrangement.**
