From: City Administrative Offices

Subj: City Hall to re-open

Media Release

Following Governor Parson's and the Department of Health and Senior Service's guidelines, effective Monday, May 4th, 2020 Lamar City Hall will re-open for walk in business.

We ask that customers entering the building please understand that we still must meet social distancing requirements. If you approach the lobby and can see people waiting for service, please remain outside until room is created. We would also encourage residents to conduct business by phone, online or drive thru window as much as possible.

We would like to thank everyone for their willingness to help out around town and maintaining patience as we all work through this together.

Thank you for your continued cooperation.

Kent M. Harris, Mayor
Russ Worsley, City Administrator
Bev Baker, City Clerk
