Those we love don't go away,
They walk beside us every day;
We will remember them!

When we look at the stars as we stare into space,
 While we pray for the world
 and the whole human race;
 We will remember them!

For they brought to our lives kindness and love,
 And now they send us blessings from above;
 We will remember them!

And as long as the stars continue to shine
 From now until the end of time;
 We will remember our Colleagues, friends and
 loved ones from our FREA Family.
