

Florida Retired Educators Foundation

Certificate of Recognition

Certificates of Recognition are awarded based on conditions of support of the Foundation.

Donations for the required \$2.00 per paid **local member** for the Certificate should be given before funds are allocated for a designated scholarship. These donations are used to fund the general scholarship program as well as the operating expenses of the Foundation.

The success of the Foundation is dependent upon the funds available to help achieve its purposes. The Foundation is entirely dependent upon the local unit of Retired Educators to assist in:

- Selecting outstanding students who wish to become teachers and need financial assistance.
- Identifying retired educators who find themselves in a financial crisis.
- In the publication of material of concern to educators.

None of these objectives can be accomplished without funds.

The following criteria for a certificate of Recognition suggest ways that units can use in raising funds for the Foundation. Any unit which can answer “yes” to the required, “yes” to Option No. 1 below, and “Yes” to Options 2 and/or 3 of the following elective criteria will be awarded a Certificate of Recognition.
