

*A life is not
measured by the
number of breaths
we take, but by the
moments that take
our breath away.*

*If every morning,
you can find a reason to say,
"Yes, it's going to be a beautiful day."
And every day, you find a reason to say,
"Yes, it is a beautiful day".
And every night, you find a reason to say,
"Yes, it was a beautiful day."*

*Then one day,
you'll look back and easily say,
"Yes... it was a beautiful life."*

*Life,
if well lived,
is long enough.*

Seneca

*Perhaps they are
not the stars, but
rather openings in
heaven where the
love of our lost ones
pours through and
shines down upon us
to let us know they
are happy.*
