PIA SCHOLARSHIP

2020 PIA SCHOLARSHIP PROGRAM—NOW AVAILABLE TO MORE STUDENTS!

Mission

To provide an informational and educational network, product support and advocacy for Minnesota's professional independent agents.

At PIA, we believe in the value of a good education and the importance of life-long learning. The Board of Directors of the Professional Insurance Agents of Minnesota has established an educational scholarship program as a benefit to PIA member agencies.

In addition to directly benefitting PIA members or their employees, the Scholarship Program increases the visibility of professional insurance agents within their communities and promotes interest in insurance and risk management education programs.
