

THRIVE!

CONNECTING FAITH AND WORK

We are grateful for your donation of time and talent to our ministry!

Speaker Guidelines:

- 30 minutes or less is preferred
- Interactive keynotes are encouraged
- Bring 3 to 4 questions to use for open discussion
- PowerPoint is okay at most locations, you will be notified if self-supplied AV is needed
- AFB does not require, but highly recommends, that you tie your presentation to one or more scripture references
- We do not preview your slides and trust that you will make every effort to facilitate a presentation that can be tied to Biblical principles
- Please limit your presentation to topics on Leadership, Personal Improvement or Spiritual Growth – you should be thinking about how this impacts the group regarding work as worship and / or faith at work / becoming best version of self that God intended
- Please don't sell from the front of the room:
 - Your presentation should be informative / educational / inspirational
 - It is okay for you to provide background information / credentials to establish your subject matter credibility
 - It is okay for you to invite attendees to contact you for more information or encourage them to sign up for newsletter or other feeds
 - In most locations, tables are available for you to display books or other merchandise
 - Use the fellowship time at the beginning and end of the meeting to connect 1-1 with the attendees
