

NEW SERIES SPONSORSHIP OPPORTUNITY

[The Power of Inclusion Series](#)

Oct. 27 2020, Jan. 20 2021, April 21 2021, August 18 2021

Organizations and institutions across the country are quickly realizing that diversity cannot be the end goal. Instead, we must develop safe, open, and inclusive environments for all to collaborate and co-exist. This series highlights a specific topic of diversity, equity, and inclusion on a deeper level, giving business and community leaders additional resources to be inclusive in their everyday lives. This series also initiates a DEI movement within the Morrisville Chamber that has sparked the creation of a DEI Digital toolkit that will live on the Morrisville Chamber of Commerce's webpage. This toolkit will continually be updated with resources, highlights, and good news from our DEI community partners and series presenters, for community members to increase their own awareness and knowledge surrounding Diversity, Equity, and Inclusion.
