## RHODES

Just a one-hour flight from Athens is Rhodes, the largest of Greece's Dodecanese islands, and one of the most visited by tourists. Widely known for its beach resorts, the island also boasts ancient ruins and remnants of its occupation by the Knights of St. John during the Crusades. The city of Rhodes has an Old Town featuring the medieval Street of the Knights and the castle-like Palace of the Grand Masters. Captured by the Ottomans, and then held by the Italians, the palace is now a history museum.

We start with a visit to the ancient Acropolis of Rhodes and the Olympic Stadium, next to the temple of Apollo. Following the bus tour, you will walk to the Old Town via D'Amboise Gate. Meander along 16th century cobbled streets entrenched with a mix of Gothic, Byzantine, and Ottoman architecture.

## Old Town City Tour

Rhodes Town is a place of both gothic beauty and mystery. It is considered to be the birthplace of 'the city'. It is surrounded by medieval walls, with Seven Gates, and dates back to the 14th century, when it was built by the Knights of Saint John. Follow the 'street of the Knights' from the Port of Rhodes Town, all the way to the Palace of the Grand Master. Get lost in its maze of narrow streets and experience the unique vibe that makes Rhodes Old Town memorable.

# YOURS TO EXPLORE

## Morning in Lindos

Above the quintessential white homes of Lindos, and the blue of the Aegean, rises the Lindos Acropolis, a mighty fortress and sanctuary sacred to the goddess Athena. Within the acropolis are also the remains of a Byzantine Church and the fortification of the Knights of St. John. From the top you may look down on St. Paul's Bay, where it is said the Apostle first set foot on the island in the year 52 AD. Walk the narrow-cobbled streets of Lindos town, visit its medieval church, shop in one of its many boutiques, or enjoy a cool drink in one of the many cafes overlooking the sea.

## Symi Island

Visit the beautiful Island of Symi! Traditionally, this Island based its economic success on shipbuilding and the sponge industry, however it has long been considered the most elegant island in Greece. You will begin the guided tour along the narrow streets of Symi Town, visiting the local sponge and spice shops. Enjoy a meal at a traditional restaurant, followed by free time to explore the village. Complete the tour with a visit to the beautiful Sacred Monastery of Saint Archangel Michael the Panormitis, which dates back to the 17th century.
