About the Hosts

The California Homebuilding Foundation (CHF) is a 501(c)3 non-profit organization. Our mission has sought to advance human achievement through training high school students for a career in construction, providing scholarships to college and high school students in homebuilding related programs and to strengthen impactful industry research that supports building in California.

The CBIA Professional Women in Building (PWB) Council is the voice of women in the building industry, dedicated to supporting our members at the local, state and national levels by offering networking and educational opportunities, legislative awareness and outreach, and professional and personal development.
