

ERIE COUNTY

CHAMBER of COMMERCE

CELEBRATING 120 YEARS

MESSAGE UPDATE FROM PAMELA SMITH-DROLL:

October is always a fun time for everyone. The Chamber would like to thank the Cleveland Clinic for hosting their Business After Hours. The event included a Poker Run that provided an opportunity to go and see the new State of the Art Equipment and to learn about the new services that the clinic provides. They have created more of a one stop place to make it more convenient for their patients. One of my favorite things was the art work on the wall from the patients. After the tour there was a wonderful reception with lots of members and lots of delicious Hors d'oeuvres. Truly a great time for all!

The Senior Men's Fellowship invited me to attend and do a Presentation about the Erie County Chamber of Commerce. I was delighted to attend and I met over 60 members of the Senior Men's Fellowship. It was a lot of fun talking about the Chamber and explaining many of the new programs and events that we do now. And letting them know that we do have an individual membership for people that would like to be part of the chamber.

Everyone was greeted when they entered the Beautiful Renovated Building on Water Street. This set the stage for the Elite Wellness Business After Hours Event. The friendly staff had several different locations where you to go and learn about different services that they provide. As you would guess there was delicious healthy appetizers and infused waters for the guests and chamber members to enjoy.
