PARTICIPATING MANUFACTURERS

BENEFITS OF PARTICIPATING

We send you quarterly rebate checks all for just remaining loyal to the leading manufacturers you already use in your homes, remodels, or multi-family units.

Approximately 70% of the Builders & Remodelers who participated last year nationwide made MORE back in rebates than they spent on dues to their HBA.

Sounds like a lot of work? It's not! We do all the paper work and mail you a quarterly rebate check directly. You don't have to change how you purchase anything and don't have to submit receipts. It couldn't be any easier!

WHY YOU RECEIVE BENEFITS

Manufacturers want to reward you because they recognize that the small to mid-size Builder and Remodeler is the largest segment of the building industry.

These manufacturers are rewarding those Builders and Remodelers with rebates for their loyalty to the products that you most likely are already using in your projects.

The Average Rebate Per Builder/Remodel Company Who Participated in 2019:

\$1,472.55!

FREQUENTLY ASKED QUESTIONS

Must I align with all Manufacturers?

No. However the more Manufacturers in our program that are used, the larger your rebate check will be.

What if my subcontractors buy supplies?

The Manufacturers are rewarding loyalty with these rebates. If you are specifying the product to your Subcontractors, then you are affecting the sale and therefore qualify for the rebate.
