

# SAFETY GROUP PROGRAM

PINNACOL ASSURANCE'S safety group program is designed to reduce workers' compensation costs by promoting safety and claims management in the workplace.

The safety group program brings together groups of businesses that are committed to industry-leading safety and claims management practices. Qualifying policyholders receive an up-front discount of four percent, eligibility for a safety group program dividend and access to resources and assistance for maintaining and enhancing safe working conditions.

## ABOUT

- A four percent discount on your workers' compensation premium
