DESIGN EXPERIENCE

- SUMMER 2019 **EDSA**
Design Intern, NY studio
- Worked on several international master planning and design projects. Assisted with concept design, illustrative photoshop renderings, and compiling master booklets for presentation. Utilized AutoCAD to draft construction documents for ongoing projects.
- 2017-2018 **Goldberg & Rodler, Inc.**
Design Intern
- Worked as a part of several project teams to conduct site analysis and measurement for residential, commercial, and public properties. Assisted with design, drafting, and rendering for client presentations. Developed new promotional signage and brochures.
- 2017-2018 **Cornell University Sustainable Design (CUSD)**
Design Team Lead
- In charge of the design sub-team for project team "Sustainable Education Nepal." Work with United World Schools and stakeholders in Nepal to develop an environmentally-aware design for a school campus located in Chainpur.
- SPRING 2017 **Design Connect**
Design Team Member
- Helped to design a master plan for a community recreation center located in Trumansburg, NY. Worked on a student-run design team and collaborated with residents and community board members.

EXTRA CURRICULARS

- CURRENT **LABash Conference, 2020**
Executive Director
- In charge of planning the 50th anniversary of LABash, an annual student-run landscape architecture conference, at Cornell University. Communicate with students, faculty, sponsors, speakers, and administration in order to ensure the event will run smoothly.
- 2018-2019 **American Society of Landscape Architects (ASLA)**
Secretary, Cornell University Student Chapter
- Communicated with students, faculty, and members of the Upstate NY ASLA chapter to coordinate events for the Landscape Architecture department at Cornell. Participated in weekly executive board meetings.
