IN PARTNERSHIP WITH RANCHO MISSION VIEJO

California Homebuilding Foundation SoCal Golf Tournament Sponsorship Opportunities

Proceeds from this tournament strengthen the efforts of California Homebuilding Foundation in helping and preparing students for a fulfilling life and career in the building industry.

California Homebuilding Foundation events support programs like the Donald Chaiken Building Industry Technology Academy (BITA), a high school construction training program helping young kids achieve the skills and knowledge needed to be successful in the industry; post-secondary scholarships for students majoring in homebuilding programs, including universities, colleges, trade and vocational schools; published residential, commercial and energy efficient building permit statistics; and quality events increasing awareness of the mission of California Homebuilding Foundation.
