

# 2022 OPEN SCHOLARSHIPS

## A STRONGER FOUNDATION FOR CALIFORNIA'S FUTURE

California construction revenue is estimated to generate approximately \$340.3 billion by 2024 and will support over 909,000 jobs.

The **California Homebuilding Foundation** works with colleges and universities in California that offer and provide degree programs for students pursuing a career in the homebuilding industry. Scholarships are available to UNDERGRADUATE and GRADUATE students in building related programs. Funds may be used for tuition, fees, books, materials, housing, and other unmet student needs.

**Please contact your school's program administrator for more information.**
