ABOUT TRC

The Bismarck Mandan Chamber EDC launched its first Total Resource Campaign in September 2008.

WHAT IS TOTAL RESOURCE CAMPAIGN?

The TRC is a vehicle for the Chamber EDC to become more efficient in a number of ways. First, it is a way for our members to see the opportunities available through the Chamber EDC and select the programs that are most beneficial for your business. Second, it allows the Chamber EDC staff to focus on programming and providing services throughout the year. Third, it allows our Chamber EDC to effectively and strategically plan for the upcoming year.

HOW WILL THE CHAMBER EDC USE THE MONEY RAISED IN THE TRC?

The money raised is utilized for the operating expenses of the Chamber EDC. The Chamber EDC has two primary revenue sources: member dues and non-dues revenue (events and marketing). This helps fund member services as well as staff salaries and Chamber EDC operating expenses.

HOW DO I KNOW WHAT SPONSORSHIPS ARE AVAILABLE?

Our staff is working hard on contacting all members about their TRC opportunities. If you have not been contacted yet, call us at the Chamber EDC and we will have someone reach out as soon as possible.

If you have other questions, please contact Christine Nelson at 701-223-5660 or cnelson@bmcedc.com. Your feedback is essential for future campaign improvement and we appreciate receiving it.
