

The Kittitas County Chamber of Commerce has created a new program called the WISH Fund. The WISH Fund (When Inconvenient Stuff Happens) is a fund dedicated to help small businesses during a time of unexpected difficulty. A Business-to-Business support grant will be awarded to qualified applicants in Kittitas County through the WISH Fund. The businesses or organizations that have experienced loss of funds due to a crisis or disaster may be awarded the Business-to-Business grant to better position themselves for long-term success after this interruption subsides.

Approved applications will enable a business or organization to receive support from the Kittitas County Chamber of Commerce's partnership with the WSU/SBDC agent who can assist with strengthening different aspects of their operations.

The Business-to-Business grants will be paid directly to the service provider by the Kittitas County Chamber of Commerce WISH Fund. The recipients of the grant will be asked to fill out a questionnaire after their services are complete and directed to additional business resources.

For more information, email the Kittitas County Chamber of Commerce CEO Amy McGuffin at amy@kittitascountycommerce.com or call (509) 925-2002.

Representative Name: _____

Business Name: _____

Do you have a Kittitas County Business License? (circle one) YES NO

Category of Assistance (circle one):

- | | | |
|------------------------|--------------------------|--------------------------|
| Computer & It Support | Marketing & Advertising | Graphic Design & Signage |
| Web Design & eCommerce | Professional Development | Social Media Marketing |
| Financial Planning | Media Services | Legal Services |
| Business Analytics | | |

What specific assistance do you need at this time within the categories above? Please be very specific and detailed. The more detailed the better we can match you with services. Share details, technical notes, desires and outcomes you are looking to achieve. NOTE: The grant is not a cash payment to your business, it pays directly for professional services to improve your business.

Do you currently work with a service provider in this area? Name/Business name of your CPA, Attorney, Graphic Designer, Web Designer, etc.

If not selected, would you be open to receiving a free consultation from a service provider? *If we are unable to fund all requests we would like to direct people to providers who are offering FREE consultations. This consultation could give you information on ways to address your problem or alternatives you might not know about at this time.
