FOR IMMEDIATE RELEASE

Kittitas County Chamber of Commerce and its Government Affairs Committee Introduce Industry Nights

ELLENSBURG, WA - February 2, 2021 - The Kittitas County Chamber of Commerce and its Government Affairs Committee are introducing a new virtual event series called Industry Nights. Industry Nights will allow specific industries in Kittitas County to speak with their Legislators, Senator Judy Warnick, Representative Tom Dent and Representative Alex Ybarra in a round-table form of discussion.

Those attending Industry Nights will be able to speak to the Legislators about their particular industry, what their plans are for 2021, how COVID-19 has affected their business, and where they see their industry heading.

Industry Nights will kick off with a Zoom and Facebook live on February 17, 2021 at 5:30 p.m. with Kittitas County Chamber of Commerce CEO Amy McGuffin introducing this new program. Each Industry Nights event will occur every third Wednesday from 5:30 p.m. to 7:30 p.m. on Zoom from March until November. The series will then end with our annual Legislative Day on December 15, 2021. The full Industry Nights schedule can be found at www.kittitascountychamber.com/government-affairs.

For more information about the event or to register for your business' Industry Nights, go to www.kittitascountychamber.com/government-affairs. Any additional questions can be directed to the Kittitas County Chamber of Commerce Communications Manager Emily Masseth at emily@kittitascountychamber.com or by calling (509) 925-2002.

About the Kittitas County Chamber of Commerce: The Kittitas County Chamber of Commerce is the largest business support and development organization in Kittitas County, and one of the largest in Central Washington. With 497 members representing every business sector, the Chamber and its committees oversee county-wide tourism promotion and economic development initiatives and a range of business support tools including publications, web services, seminars and even leadership development for a new generation.
