FOR IMMEDIATE RELEASE

Kittitas County Chamber of Commerce Cancels Cle Elum Independence Day Fireworks Show

ELLENSBURG, WA – July 2, 2021 - Due to the extreme heat and wind in Kittitas County, the Kittitas County Chamber of Commerce has decided to cancel the Cle Elum Fireworks Show during the Independence Day Celebration on July 4, 2021.

The Kittitas County Chamber of Commerce has been working closely with the Cle Elum Fire Department's Fire Chief Ed Mills and the City of Cle Elum to come to this decision and keep the county safe. The Cle Elum Fire Department is in full support of this decision, as it allows more emergency resources to be available for potential fires in Washington state.

The Kittitas County Chamber of Commerce will still be putting on the Independence Day Celebration at Wye Park in Cle Elum on July 4, 2021, and extending the musical entertainment for an extra hour until 11 p.m. This free community event will begin at 1 p.m. with Americana-inspired activities for the whole family including live entertainment, a beer garden (21+ only), a bounce house, local vendors, and food trucks.

Make sure to follow our Facebook event page at www.facebook.com/events/333482865051842?active_tab=about and our website at www.kittitascountychamber.com/independence-day-celebration for any updates regarding this event.

The Kittitas County Chamber of Commerce would like to thank everyone for their support in these events. We hope you will use this weekend to celebrate with us.

If you have additional questions or concerns, please contact the Kittitas County Chamber of Commerce Director of Tourism and Events Madison Ford at madison@kittitascountychamber.com or call (509) 925-2002.

About the Kittitas County Chamber of Commerce: The Kittitas County Chamber of Commerce is the largest business support and development organization in Kittitas County, and one of the largest in Central Washington. With over 500 members representing every business sector, the Chamber and its committees oversee county-wide tourism promotion and economic development initiatives and a range of business support tools including publications, web services, seminars and even leadership development for a new generation.
