FOR IMMEDIATE RELEASE

Kittitas County Chamber of Commerce Hires Upper County Director of Chamber Outreach & Economic Advancement

ELLENSBURG, WA – February 14, 2022 - The Kittitas County Chamber of Commerce has hired Stephanie Bohman as the Upper County Director of Chamber Outreach and Economic Advancement.

Bohman was born and raised in Alaska and moved with her family to Kittitas County in 2013. She has a combined family of seven children, some attending both Central Washington University and Ellensburg High School, including one grandchild as of earlier this year.

Bohman says she will always consider herself an Alaskan, even though her family calls Washington their forever home. She spent the majority of her 20's and 30's running a successful business in Wasilla, Alaska before moving to Kittitas County.

“Since our relocation to the Evergreen State, I have worked for two small businesses and one nonprofit. I am also actively involved with the Upper Kittitas County Rotary Club, where I serve as the Vice President Elect. Through these experiences, I have enjoyed getting to know Upper County very much. In my new role at the Kittitas County Chamber of Commerce, I look forward to serving and supporting business owners in Upper Kittitas County in the years to come.”

To connect with Stephanie, email stephanie@kittitascountychamber.com or call (509) 260-4056.

About the Kittitas County Chamber of Commerce: The Kittitas County Chamber of Commerce is the largest business support and development organization in Kittitas County, and one of the largest in Central Washington. With over 500 members representing every business sector, the Chamber and its committees oversee county-wide tourism promotion and economic development initiatives and a range of business support tools including publications, web services, seminars and even leadership development for a new generation.
