1. Contestants must pre-register before 1:45 p.m (entry fee is \$15.00 per vehicle). Sign a liability waiver and fill out an announcement card. Only after you have turned this information in will you receive your contestant number validating entry.
2. A valid driver's license is required and minimum insurance coverage required by Washington state law for each of the vehicle(s) entered. Minimum age to participate is 18 years.
3. Each vehicle must pass a simple safety inspection before participating (lug nuts, loose parts, etc). If for any reason a safety official deems the vehicle unsafe, the vehicle will not be allowed to compete. All vehicles must have a drive shaft loop installed.
4. Each contestant will be allowed to burnout only one time. No practice runs.
5. For this slow rolling burnout, no standing still. The amount of smoke and length of black marks left will determine the winner. There are 3 classes of which a 1st place winner will be picked: Pro Class (previous winner and challengers) Amature Class, and Truck Class.
6. The contestant will travel a predetermined length in the designated area and immediately stop accelerating when safety officials flag you to stop (a buzzer/light will be placed inside your vehicle to notify you when to stop, a blow horn will sound as well).
7. The vehicle must stay to the right of the double yellow line. If your vehicle crosses the line or begins to turn toward the left or right to an extreme that the official feels is unsafe

to the crowd, you will be flagged to stop acceleration. Failure to do so will result in disqualification.

8. The street will be closed so that vehicles can be lined up by class entered at the starting point. There you will receive instruction and safety inspection.
9. All participants must follow the direction of the safety officials at all times. Failure to do so will result in immediate disqualification.
